## **New Testament Commentary 10 Hebrews A New Testament Commentary:**

New Testament Commentary - 10 - Hebrews Cliff Taylor, 2014-10-17 My Bible Walkthrough series aimed at seeing that the reader would get to understand the basic meaning of the Bible text This series is for those who want to dig a little deeper and to see what the Bible has to say to them Now that we've read Paul's letters we turn to a major letter from another great mind He clearly knew Paul's teaching but his letter covers issues which Paul scarcely touches **Biblical Theology of prayer in the New Testament** Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people's prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer **Holman New Testament Commentary - Hebrews & James** Thomas Lea, 1999-09-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike **A Critical Introduction to the New Testament** Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to

their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul's decisive influence within the history of the church and western culture

**Appropriating Hebrews's Scriptural Hermeneutic for the Twenty-First Century** Dana M. Harris,J. David Stark,2025-11-27 This volume highlights lessons that can be learned from Hebrews's hermeneutic for modern readers of these Scripture who want to hear these texts address their communities as well New Testament Studies Adolf von Harnack,1911 **The Alexander New Testament Commentary Hebrews 1-10** Kim J. Alexander,2018-03-10 This word of exhortation was penned to believers who doubted their conversion to Christianity They were second guessing their position in Jesus Christ They were on the verge of defecting from the faith and going back to Judaism In essence the author of Hebrews was encouraging them NOT to walk away from what they believed He encouraged them to keep their eyes on Jesus Christ Hebrews shows us that Christianity is the true successor of Judaism There would be no reason to turn back to practices found in Old Testament law Jesus Christ has set you free don't go back into bondage In this commentary we are going to discover that Jesus is far better than anything found in the Old Testament system In book one we are going to consider some of the following concepts Jesus is better than the Prophets Jesus is better than the Angels Jesus is better than Moses Jesus is better than Joshua Jesus is better than Aaron the High Priest Jesus is better than Earthly Priests Jesus is better than the Tabernacle The book of Hebrews shows the SUPERIORITY of Christ and Christianity It's theme rings out loud and clear don't turn back You have everything you need in the person of Jesus Christ Remember beloved Christ is not ONE among many He is THE ONE among many True Christianity is not ONE among many it is THE ONE among many

sex attractions Is it possible to abstain from homosexual acts Should not Christians respect all people regardless of their sexual orientation Did not Jesus preach tolerance If so should not Christians take a permissive view of homosexuality Does God approve of same sex marriage Does God disapprove of homosexuality If so how could God tell someone who is attracted to people of the same sex to shun homosexuality is that not cruel If one has same sex attraction is it possible to avoid homosexuality How can I as a Christian explain the Bible s view of homosexuality IT IS CRUCIAL that Christians always be prepared to reason from the Scriptures explaining and proving what the Bible does and does not say about homosexuality yet doing it with gentleness and respect Andrews will answer these questions and far more Who Should Read HOMOSEXUALITY The BIBLE and the CHRISTIAN 1 Anyone struggling with same sex attraction 2 Anyone trying to leave a homosexual lifestyle 3 Any churchgoer looking for an apologetic tool on homosexuality 4 Any pastor looking for a tool to better counsel those struggling with same sex attraction or leave a homosexual lifestyle *CHRISTIAN THEOLOGY* Edward D.
