

## Investing Simplified: A Guide for Everyone

An all-inclusive resource for turning on your investment goals — whatever they may be!

### 1. Getting Started

#### Step 1: Plan out your investment goals + budget

It's important to know the percentage figures, timeline and purpose. Most of you experienced money makers will have an idea of what you want to accomplish. You can start by setting a budget and timeline for saving for example, are you planning on purchasing your first home in 5 years, saving for a car within fifteen (15), or just want to see how much your money can grow at?

#### Step 2: Start the process by filling out the table

Please fill the table on the following on your portfolio of financial institutions. Consider your personal budget, the purpose which will be used to serve your life goals and overall strength of your investment, and acceptable funds you should be familiar with. The savings from the safety of government bonds, securities of 17% and more. You can add or edit a new row + in the table to fit the set, and the options that need to be filled in are colored in grey. Please scroll down to the suggested column to see how to
