Let My Children Work! John P. Blessington, 1999-08 There is a germ of a quiet revolution growing in our educational system The very funny highly irreverent and yet sensible John Blessington has planted that seed in *Let My Children Work* His revolution involved throwing out the whole ridiculous concept of homework of tying home and school life together or recommending yes heartily endorsing T V as a learning tool and of recognizing the home as the richest learning center available This is a revolution that goes to the roots of the way all of us live In *Let My Children Work* Jack Blessington points the way to a saner and more complete way of educating our children
