

# THE ENTREPRENEUR'S GUIDE TO PRODUCTIVITY

A 5-STEP DAY PLANNER

Focus on "output" rather than "activity" or "input".  
You can do the task, but measure the results to  
see only what's important from your time to work  
on. Prioritize, communicate priorities, and continue to  
prioritize, communicate priorities, and continue to

do. For the most part, I just think we need to work  
on the priorities before moving forward. You can't  
do it all, but focus on what matters.

right priorities.

1. **Set your goals.** Set your goals, and make sure  
they are SMART: Specific, Measurable, Achievable,  
Relevant, and Time-bound.
2. **Establish your priorities.** Prioritize your tasks  
based on the importance of the task and the time  
it will take. The more time you have, the more you  
can focus on tasks that are important to your  
business.
3. **Follow your plan.** Follow your plan, and make  
sure you are staying on track. If you find  
yourself getting off track, go back to your  
priorities and make sure you are staying on  
track.

## STEP 3

### FOCUS ON RESULTS.

As an entrepreneur, you will be able to measure the results of your work. This will help you to make sure that you are focusing on the right priorities and continue to work on the most important tasks. This will help you to make sure that you are staying on track and continue to work on the most important tasks.

**New business owners:**  
New business owners should be focused on the results of their work. This will help them to make sure that they are staying on track and continue to work on the most important tasks. This will help them to make sure that they are staying on track and continue to work on the most important tasks.

The Pareto principle, also known as the 80/20 rule, is based on the concept of power law distributions. It states that 80% of the outcomes are caused by 20% of the inputs. This is the case with the entrepreneur who prioritizes the most important tasks. By focusing on the most important tasks, the entrepreneur can achieve the most results with the least effort.

As an entrepreneur, it's all about results. That's why focus your growth and focus your business.
