*The Alpha's Breeder* Tay T.,2020-01-29 Meet Eros Hall an Alpha who isn't arrogant domineering or egocentric and fall in love just as hard as our main character does After being kidnapped by a group of vengeful werewolves Emira finds herself in one hell of a situation First she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct Second her true soulmate is a powerful Alpha who is hell bent on keeping her And third to make matters worse she only has six moon cycles to be marked mated and pupped What does that even mean This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I'm only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I'm trying to figure out what kind of species the main character is Second of all I've only read the first couple chapters and I'm already hooked I'm on the edge of my seat waiting impatiently to see what's going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can't wait to read more Charlotte Moore This is one of the best book I've read before Reading this book will make you feel like you're on a emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn't turn out at all like I thought it would Tinkerbell Leonhardt Too awesome LOVE this story sooooooo much and I can't get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn't stop reading it Angel Agams It's hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what's going

on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that's exactly what happened here I'm usually not a fan of these kinds of werewolf stories where the mate doesn't have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It's sooo good It has a unique plot line that is not your everyday cliche werewolf novel The main character Emira is so funny and relatable And don't even get me started on Eros He's hot period It's different and I HIGHLY recommend it Kari *The Complete Book of Science Fiction and Fantasy Lists* Maxim Jakubowski, Malcolm Edwards, 1983 **How To Date A Werewolf** Karin De Havin ,2020-11-20 Awesome I've fallen in love with a werewolf now what Of all the men in the paranormal universe to choose from I have to fall for a werewolf Can there be a more complicated man to date And I thought my warlock boyfriend was high maintenance Yet I find it's impossible to fight his pheromones and his amazing hazel eyes But with no rules to guide me I decide to write my own rule book on how to date a werewolf But that's not the only thing on my very full plate I'm a high school senior in my new home city of Los Angeles which is insanely different from Brooklyn New York I'm studying to take my final magic exams to become a full fledged witch while learning to deal with a stepmother who is hiding a big secret Will I gain my full witch powers in time to take down my stepmother before she rips my family apart Find out in How to Date a Werewolf book two of the Book of Brooklyn Series by author Karin De Havin If you enjoy young adult urban fantasy stories that are filled with magic and adventure that keeps you turning the pages then one click your copy of How to Date a Werewolf today For more paranormal adventures The Shifter Vampire Alliance Series takes place in the same world as the Book of Brooklyn Series Keywords young adult paranormal romance free young adult paranormal witch romance young adult werewolf romance young adult fantasy complete series young adult coming of age fantasy witch books werewolf books young adult action adventure paranormal teen high school paranormal young adult supernatural *The Mammoth Book of Best New Horror* ,2008 **Forbidden Love Complete Series** Daniella Starre, One night of passion could start a war between rival werewolf packs Misti Wolventon has never made her alpha father proud no matter what she does Enjoy this sexy werewolf love story by author Daniella Starre A night at the bar ends with the Red Nightwalker in bed with the hottest werewolf she ever saw Only as he's getting dressed does she see the mark that brands him as a hatred Shadowed Star Anders Kraus is an outcast looking for a way back into the good graces with the Shadowed Stars All they ask is for him to kill the alpha's daughter of their rival back He wasn't supposed to bed her and he sure as hell wasn't supposed to fall for her What's a werewolf to do when the lines blur between hate and love lust and love Contains a never before published epilogue This novel is perfect for readers who love hot wolf shifter paranormal romance with steamy sex scenes alpha male hero plenty of action suspense adventure and true love between werewolves Keywords Wicked Wolf Shifters Bestselling Series

known for his ruthless and brutal ways an Alpha known to be more beast than man Alpha Xavier Thaeos the Southern Cardinal Lord He ruled over others weaker than him and was considered a living nightmare He was the Alpha of Alphas The head honcho And Maya had succeeded in chaining him to the walls of her keep and bleeding him to activate the scroll s ritual never realizing that she was walking face first into a trap big enough to bind herself to the cunning Alpha Permanently This steamy werewolf romance contains explicit love scenes Excerpt What is the purpose Why risk your life and do something so very foolish as to cross me the daunting Alpha asked With a slight lift of her upper lip the sorceress pulled the silver dagger out of her bag and approached the daunting Alpha Someone like you wouldn t understand If you don t tell me how do you know I won t he asked swiftly watching the dark sorceress step into the barrier between safety and chaos A feral smile emerged on Xavier s lips His primal urges awakened as the wondrous scent of spring blossoms curled around his senses and teased him with its delicious elements Maya watched him with sharp eyes suspicion collecting in the light depths First of all why do you even care There was a little pause after her words as if he were contemplating her question with the utmost consideration All the while his citrine colored eyes stared directly into her own molten and heated in such an unbearable way that she had to remove her gaze Maya hated the way he stared at her It gave her this insecure feeling of being the lesser of the two as if he were superior to her and would one day make her pay for her insolence She loathed the feeling of being the prey when he was the mighty predator It irked her to no end Because you interest me he said You make me want to know more about you His powerful statement caused goosebumps to litter Maya s skin in sickening amounts She had to stop herself from heaving in disgust Her back straightened and her shoulders squared when she stopped but a foot from him smiling sweetly angelically up at him with those full pouty lips he wanted to map with his own Then she replied to him with a harsh stab of the silver dagger straight through his muscled forearm Your interest is rather strange and unnecessary she replied offhandedly And I would prefer you keep it to yourself or I will do it for you Maya heatedly watched as crimson blossomed on his skin and collected in the copper chalice she had conjured The first few drops pitter pattered in her cup dancing a light rhythm until she twisted the dagger sharply and caused blood to gush down and fill the cup Don t forget Alpha you are my prisoner Cooperate and I will let you go Retaliate and I will let you rot within the very depths of hell she threatened crudely removing the dagger before digging it back into his arm to state how serious she was Mark My Words In response to her violent caution mirth filled his eyes instead of fear anger or pain Let him go He smirked at the quixotic thought She would not be able to Reviews What the readers are saying about this book The story line is truly captivating and absolutely thrilling I love the fact that the main character is not some naive girl who knows nothing She has character This story is soo good I enjoy how Maya isn t the usual goody two shoes She s cunning and she s not afraid to do everything to save her mother regardless of the repercussions She s so badassss and maaan I just love it It is easily one of the most original plots I have read so far This book is just like quicksand You come here knowing nothing and when you realize it s got
