## Novel Raising Resilient Kids:

**Raising Resilient Children** Robert Brooks, Sam Goldstein, 2002-09-18 Discusses the importance of fostering the qualities of resilience in children and offers specific ideas and strategies designed to help parents raise strong, hopeful, optimistic children

**Raising Resilient Children** Sam Goldstein, Robert Brooks, 2002-01-01 Counselors, social workers, parenting program directors, and other mental health professionals will find this nine-session curriculum and 70-minute companion video ideal for providing parents with strategies they can use to ensure that their children are emotionally prepared to cope with life's challenges. Based on the authors' best-selling book, the chapters in the manual and their corresponding video segments discuss the seven key guideposts to raising resilient children. In-class and at-home activities are also included to help parents recognize the crucial role they play in their children's emotional health. After completing the *Raising Resilient Children* curriculum, parents will be better prepared to accomplish their most important job: raising a confident, self-reliant child.

**Raising Resilient Kids** Mph Rhonda Spencer-Hwang, Drph, Rhonda Spencer-Hwang MPH, 2022-10-04 As you reflect on how unavoidable life circumstances such as the COVID 19 pandemic may be influencing your children, family, and other loved ones, be encouraged by the compelling and inspiring vignettes shared in this work. Be empowered to have faith, set goals, and take action to stay the course and enjoy many more decades of a joyful, blessed, and healthy life. With so many experts touting different approaches to raising thriving children, how do you know which is the best one? Dr. Rhonda Spencer Hwang, professor of public health at Loma Linda University and mom of three, had the same question. As a member of a community known worldwide for its health and longevity, often referred to as a Blue Zone, she decided to study the area's many centenarians to find out what they or their parents did right in childhood to make them so resilient to stress, disease, and the adversities of life. In *Raising Resilient Kids*, Dr. Spencer Hwang reveals the intriguing findings from her research and offers eight principles for raising happier, healthier children who are equipped to flourish despite life's inevitable adversities. Readers of *Raising Resilient Kids* will learn how to Empower children with determination, motivation, and empathy; Win over picky eaters and others who resist new routines; Reduce negative stress and boost happiness; Instill the values that motivate children to serve and help others; Enhance academic performance through healthy habits; Help kids begin to explore their passions and purpose.

**Raising Resilient Kids** Rhonda Spencer-Hwang, Rhonda Spencer-Hwang Drph Mph, 2021 Rhonda Spencer Hwang, a mom of three children and a professor of public health, set out to discover how to promote health and well-being beginning in childhood. Living in a community known worldwide for the unusual resilience and longevity of its citizens, she wondered: What childhood practices have protected the centenarians in my area from the stresses of hardship and encouraged their accomplishments? She set out to interview as many of them as she could find and what she learned may change your life.

*Raising Resilient Children with a Borderline or Narcissistic Parent* Margalis Fjelstad, Jean McBride, 2020-11-03

Being partnered with a narcissist or borderline personality can be hard enough but learning how to shield children from the fallout is paramount Here the authors show readers how to manage parenting when a narcissistic or borderline partner is part of the equation Life in a narcissistic family system is at best challenging and too often filled with chaos isolation emotional outbursts and rigid controlling behaviors It is too often devoid of peace and emotional safety In the worst outcomes children in these families grow up with low self worth issues with trust and belonging and a lack of self compassion They are at significant risk of carrying the cycle forward and having poor adult relationships This book offers a way to intervene and disrupt the cycle of negative outcomes for children Written by two family therapists who bring a combined total of sixty years of clinical practice with individuals and families the book pulls no punches giving clear headed advice easy to follow actions to help children and an abundance of teaching examples Instead of the doom and gloom scenarios often presented about life with a narcissist or borderline this book provides a much more positive outlook and most importantly it offers hope and a path to an entirely different outcome for the family members Supported by current

research in neuroscience mindfulness and parenting information the book focuses on teaching resilience and self compassion to raise emotionally healthy children even in a narcissistic family system It starts by helping parents get a clear understanding of what they face with a narcissistic or borderline partner There is no room here for denial but there are also many options to explore It explains how and why the narcissistic family system functions so poorly for raising healthy children and pinpoints the deficits while providing information on how to intervene more effectively for the benefit of the children Using their years of experience the authors present ideas for staying together as well as knowing when to leave the relationship and how best to do that Emphasis throughout the book is on supporting and strengthening the reader with encouragement concrete ideas skills and compassionate understanding
