*Radicalism and Dissent in the World of Protestant Reform* VolkswagenStiftung,,German Historical Institute, Library, Bridget Heal, Anorth Wetzels, 2017-04-03 This volume of essays explores the themes of radicalism and dissent within Protestantism. The comparisons highlight the contingent nature of particular settlements and narratives and reveal the extent to which the definition of religious radicalism was dependent upon immediate context and show that radicalism and dissent were truly transnational phenomena. The historiography of the so-called radical reformation has been unduly shaped by the hostile categories imposed by mainstream or magisterial reformers during the sixteenth and seventeenth centuries. This volume argues that scholars should adopt an open-ended understanding of evangelical reform and recognize that the boundaries between radicalism and its opposite were not always firmly drawn. The distinction between the two is an inheritance of the Lutheran Reformation of the 1520s which shaped not only the later course of the Reformation in the Holy Roman Empire but also attitudes towards and writings on religious dissent in the Netherlands and England. Radical critique is immanent within mainstream Protestantism in a faith that emphasizes the power of the gospel with its unrelenting demands.

**Spirit Witch** C.D. Gorri, The quest to save magic is nearing its end as deprivation sickness takes hold at Westwood Academy. Will an unlikely hero be enough to save all witch-kind? Enid Morrigan has a lot to learn about who she is and what better place to do it than Westwood Academy. Though new to the world of magic, Enid has always been a little strange. Seeing and hearing the dead is something she would not wish on her worst enemy, but it has always been a part of her life. Secret spells and wards surrounding Westwood have efficiently blocked off her gifts or curses as she always thought of them. But what happens when her newfound friends need her to open up her powers? Is she strong enough to face her demons in order to save all magic? Good thing she is not alone. With Rio, Maia, Tana, Jade, and Mabe on her side, Enid and her mates track down a Lorekeeper who might be able to help. Spiritwalker Judge Dusek is a trained guide helping magic users navigate their paths. It doesn't hurt that he's sexy as sin, but will his pushy blunt ways be too much for the soft-spoken witch? There's too much at stake for Enid to back down now. Welcome to Westwood Academy. Forget what you know and let your magic run wild. **The Verso Book of Feminism** Jessie Kindig, 2020-10-20 An unprecedented collection of feminist voices from four millennia of global history. Throughout written history and across the world, women have protested the restrictions of gender and the limitations placed on women's bodies and women's lives. People of any and no gender have protested and theorized, penned manifestos and written poetry and songs, testified and lobbied, gone on strike and fomented revolution, quietly demanded that there is an I and loudly proclaimed that there is a we. The Book of Feminism chronicles this history of defiance and tracks it around the world as it develops into a multivocal and unabashed force. Global

in scope The Book of Feminism shows the breadth of feminist protest and of feminist thinking moving through the female poets of China's Tang Dynasty and accounts of indigenous women in the Caribbean resisting Columbus's expedition British suffragists militating for the vote and the revolutionary petroleuses of the 1848 Paris Commune the first century Trung sisters who fought for the independence of Nam Viet to women in 1980s Botswana fighting for equal protection under the law from the erotica of the 6th century and the 19th century to radical queer politics in the 20th and 21st The Book of Feminism is a weapon a force a lyrical cry and an ongoing threat to misogyny everywhere **Blood Witch** C.D.
