Insights Gothic Fantasy:

Critical Insights: Southern Gothic Literature , Approaches to Teaching Stoker's Dracula William Thomas McBride,2025-03-03 This volume helps teachers contextualize Bram Stoker's Dracula in its historical and cultural moment considering psychology technology gender roles colonialism and anxieties about the other. It also situates the novel among the kindred texts that have proliferated since its publication from film and television to the growing genre of vampire novels. Essays explore the novel in terms of medical humanities contagion and the gothic as well as ethnicity identity and race. Contributors analyze Dracula in the context of various ancient and modern cultural productions including classical Indian aesthetics and African American vampire literature and describe a broad range of classroom settings including a technical university a Hispanic serving institution and others
