French Philosophy Alain Badiou,2022-03-01 The Adventure of French Philosophy is essential reading for anyone interested in what Badiou calls the French moment in contemporary thought Badiou explores the exceptionally rich and varied world of French philosophy in a number of groundbreaking essays published here for the first time in English or in a revised translation Included are the often quoted review of Louis Althusser s canonical works For Marx and Reading Capital and the scathing critique of potato fascism in Gilles Deleuze and F lix Guattari s A Thousand Plateaus There are also talks on Michel Foucault and Jean Luc Nancy and reviews of the work of Jean Fran ois Lyotard and Barbara Cassin notable points of interest on an expansive tour of modern French thought Guided by a small set of fundamental questions concerning the nature of being the event the subject and truth Badiou pushes to an extreme the polemical force of his thinking Against the formless continuum of life he posits the need for radical discontinuity against the false modesty of finitude he pleads for the mathematical infinity of everyday situations against the various returns to Kant he argues for the persistence of the Hegelian dialectic and against the lure of ultraleftism his texts from the 1970s vindicate the role of Maoism as a driving force behind the communist Idea *Infinite Thought* Alain Badiou,2005-05-01 Alain Badiou is already regarded as one of the most original and powerful voices in contemporary European thought Infinite Thought brings together a representative selection of the

range of Alain Badiou s work illustrating the power and diversity of his thought **Alain Badiou** Jason Barker,2002 Alain Badiou is rapidly emerging as one of the most radical and influential philosophers of our time Badiou opposes the contemporary reduction of philosophy to nothing but a matter of language and premature announcements of the end of philosophy and thus sets himself against both analytic and continental modes of philosophy Setting the traditional platonic concerns of philosophy truth and being against the modern sophists of postmodernism Badiou has articulated a powerful systematic philosophy with profound ethical and political consequences *Wittgenstein's Antiphilosophy* Alain Badiou,2019-07-23 Alain Badiou takes on the standard bearer of the linguistic turn in modern philosophy and anatomizes the

antiphilosophy of Ludwig Wittgenstein In the course of his interrogation of Wittgenstein's thinking Badiou refines his own definitions of the universal truths that govern his work Bruno Bosteels's introduction argues that a continuing dialogue with Wittgenstein is inescapable for contemporary philosophy

speaking readers might be surprised to learn that Alain Badiou writes fiction and plays along with his philosophical works and that they are just as important to understanding his larger intellectual project In Ahmed the Philosopher Badiou s most entertaining and accessible play translated into English here for the first time readers are introduced to Badiou s philosophy through a theatrical tour de force that has met with much success in France Ahmed the Philosopher presents its comic hero the treacherous servant Ahmed as a seductively trenchant philosopher even as it casts philosophy itself as a comic

performance The comedy unfolds as a series of lessons with each short play or sketch illuminating a different Badiouian concept Yet Ahmed does more than illustrate philosophical abstractions he embodies and vivifies the theatrical and performative aspects of philosophy mobilizing a comic energy that exposes the emptiness and pomp of the world Through his example the audience is moved to a living engagement with philosophy discovering in it the power to break through the limits of everyday life

Pocket Pantheon Alain Badiou, 2016-09-13 Pocket Pantheon is an invitation to engage with the greats of postwar Western thought such as Lacan Sartre and Foucault in the company of one of today's leading political and philosophical minds Alain Badiou draws on his encounters with this pantheon his teachers opponents and allies to offer unique insights into both the authors and their work These studies form an accessible authoritative distillation of continental theory and a capsule history of a period in Western thought

Badiou and His Interlocutors Alain Badiou, 2018-01-25 This is a unique collection presenting work by Alain Badiou and commentaries on his philosophical theories It includes three lectures by Badiou on contemporary politics the infinite cinema and theatre and two extensive interviews with Badiou one concerning the state of the contemporary situation and one wide ranging interview on all facets of his work and engagements It also includes six interventions on aspects of Badiou's work by established scholars in the field addressing his concept of history Lacan Cinema poetry and feminism and four original essays by young and established scholars in Australia and New Zealand addressing the key concerns of Badiou's 2015 visit to the Antipodal region and the work he presented there With new material by Badiou previously unpublished in English this volume is a valuable overview of his recent thinking Critical responses by distinguished and gifted Badiou scholars writing outside of the European context make this text essential reading for anyone interested in the development and contemporary reception of Badiou's thought
