Negotiation Excellence Successful Deal Making 2nd Edition:

Negotiation Excellence Michael Benoliel, 2011 Nearly 300 years ago Francois de Callieres a French diplomat famously observed that the fate of the greatest states depends on the quality of their negotiators His observation appears to have stood the test of time as the fate of modern organizations in today's increasingly competitive global economy still depends largely on the skill and conduct of its negotiators To illustrate the critical role of skilled negotiators one has to look no further than at the dismal record of recent high profile mergers and acquisitions In numerous deals deal makers have wiped out significant value off their market capitalization through failures in the deal making process In contrast successful serial deal makers have long recognized the value of negotiation and invested in building individual and institutional negotiation capabilities *Negotiation Excellence Successful Deal Making* was written by the leading negotiation experts from top rated universities in the USA and in Asia and its objective is to introduce the readers to the theory and the best practices of effective negotiation The book includes chapters ranging from preparing and planning well for successful negotiations building relationships and establishing trust between negotiators negotiating creatively to create mutual value and win win understanding and dealing with negotiators from different cultures to managing ethical dilemmas In addition to emphasizing the link between theory and practice *Negotiation Excellence Successful Deal Making* includes deal examples such as Renault Nissan alliance mega merger between Arcelor and Mittal Steel Kraft Foods acquisition of Cadbury PLC Walt Disney Company negotiation with the Hong Kong government and Komatsu a Japanese firm negotiation with Dresser an American firm

Negotiation Excellence: Successful Deal Making (2nd Edition) Michael Benoliel, 2014-09-16 *Negotiation Excellence Successful Deal Making* is written by leading negotiation experts from top rated universities in the US and in Asia and its objective is to introduce readers to the theory and best practices of effective negotiation The book includes chapters ranging from preparing and planning for successful negotiations building relationships and establishing trust between negotiators negotiating creatively to create mutual value and win win situations understanding and dealing with negotiators from different cultures to managing ethical dilemmas In addition to emphasizing the link between theory and practice the book includes deal examples such as Renault Nissan alliance mega merger between Arcelor and Mittal Steel Kraft Foods acquisition of Cadbury PLC Walt Disney Company's negotiation with the Hong Kong government and Komatsu a Japanese firm's negotiation with Dresser an American firm Following the success of the first edition the second edition re-emphasizes the spirit of linking theory to practice with two new chapters on emotions in negotiation and the Indian negotiation style

The Palgrave Handbook of Cross-Cultural Business Negotiation Mohammad Ayub Khan, Noam Ebner, 2018-12-13 Global business management issues and concerns are complex diverse changing and often intractable Industry actors and policy makers alike rely upon partnerships and alliances for developing and growing sustainable business organizations and ventures As a result global business leaders must be well versed in managing and leading multidimensional human

relationships and business networks requiring skill and expertise in conducting the negotiation processes that these entail After laying out a foundation justifying the importance of studying negotiation in a global context this book will detail conventional and contemporary theories regarding international engagement culture cultural difference and cross cultural interaction with particular focus on their influence on negotiation Building on these elements the book will provide a broad array of country specific chapters each describing and analyzing the negotiation culture of businesspeople in a different country around the world Finally the book will look ahead with an eye towards identifying and anticipating new trends and developments in the field of global negotiation This text will appeal to scholars and researchers in international business cross cultural studies and conflict management who seek to understand the challenges of intercultural communication and negotiation It will provide trainers and consultants with the insights they need to prepare their clients for intercultural negotiation Finally the text will appeal to businesspeople who find themselves heading out to engage with counterparts in another country or operating in other multinational environments on a regular basis
