*Particular Grace* Abraham Kuyper, 2001      *Biblical Interpretation and Doctrinal Formulation in the Reformed Tradition* Arie C. Leder, Richard A. Muller, 2014-04-16 The Reformed tradition is characterized by a rigorous commitment to theological formulation yet it is equally known for its commitment to rooting its life and practice in the authority of God s Word While these two commitments are commonly acknowledged the path from biblical interpretation to doctrinal formulation is often overlooked Examining a diverse group of thinkers across the chronological and international spectrum of the Reformed tradition this book demonstrates the depth and intricacies involved in the tasks of exegesis and dogmatic construction the ways they intersect and the effect it has on the church Table of Contents Preface Richard A Muller 1 An Appreciation of James De Jong Calvin Van Reken 2 Calvin s Teaching Office and the Dutch Reformed Doctorenambt Joel R Beeke 3 An Immeasurably Superior Rhetoric Biblical and Homiletical Oratory in Calvin s Sermons on the History of Melchizedek and Abraham Richard A Muller 4 Calvin s Lectures on Zechariah Textual Notes Al Wolters 5 Adopted in Christ Appointed to the Slaughter Calvin s Interpretation of the Maccabean Psalms Keith D Stanglin 6 Peter Martyr Vermigli and Aquinas Justice of War Doctrine Mark J Larson 7 Beza s Two Confessions as Sources of the Heidelberg Catechism Lyle D Bierma 8 Henry Ainsworth Harried Hebraist Raymond A Blacketer 9 The Interpretation of Christ s Descent into Hades in the Early Seventeenth Century Jay Shim 10 Critical and Catholic Exegesis in the Seventeenth Century Low Countries John S Bergsma 11 Biblical Interpretation and Doctrinal Formulation in John Flavel s Works Won Taek Lim 12 The Hobbes Bramhall Debate on the Nature of Freedom and Necessity J Mark Beach 13 Bible Commentary for the Untutored The Bijbelverklaring of 1780 1795 by Jacob van Nuys Klinkenberg and Gerard Johan Nahuys Arie C Leder 14 Herman Hoeksema was Right on the three points that really matter John Bolt      **T&T Clark Handbook of Neo-Calvinism** Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields      **The Heart of the Gospel** Robert E. Coleman, 2011-05-01 For more than forty years Robert E Coleman s bestselling *The Master Plan of Evangelism* has been the standard in evangelism literature But what is the theology behind evangelism And why is it important for Christians to understand *The Heart of the Gospel* offers a systematic theology of evangelism that will ground and inform our practice of spreading the Good News Each chapter covers a major biblical doctrine explains its various evangelical interpretations treats

misconceptions that adversely affect evangelism and offers practical applications of the doctrine Based on decades of classroom teaching this comprehensive work is aimed at ministry readers interested in evangelism and outreach

*Defending God's Sovereignty* Sonny Hernandez, 2020-04-10 FOREWORD As the title indicates this book is a fresh lively hard hitting defense of the doctrines of grace popularly known as the Five Points of Calvinism It establishes the doctrines of grace as solidly biblical the gospel of grace taught in Scripture The defense consists of appeal to an abundance of biblical passages with their explanation One may assail Hernandez with emotion even outrage He will not defeat him in the battle of the texts The defense includes as well the refutation of the erroneous explanation of all the main passages of the Bible that are employed to attack the doctrines of grace and to promote the false gospel of salvation by the will and works of the sinner Concerning II Peter 2 9 for example a favorite text of all those who teach a will of God for the salvation of all humans without exception Hernandez shows that the context and the text itself clearly reveal that the all of the text is all of us namely the elect believers In the nature of the case the book is polemical Not only does it war against the classic Arminian heresy exposed and condemned by the Reformed Synod of Dordt in the early 17th century and the false doctrine known as Amyraldianism but it also contends with more recent compromises of grace particularly compromises within the sphere of Reformed and Presbyterian churches These include theologies that the author describes as moderate Calvinism the theology of the federal vision the doctrine of a well meant offer of salvation to all hearers in a common grace of God to all humans These and all related teachings have in common the extension of a saving grace of God to many humans that fails to save implying that the cause of the salvation of those who are saved by the gospel is not the sovereign grace of God but the will of the sinner In the course of his polemic with the advocates of universal ineffectual grace Hernandez wards off the charge that his doctrine is hyper Calvinism He defines the real threat of hyper Calvinism accurately He demonstrates that the sound uncompromising confession of salvation by sovereign grace does not at all threaten much less rule out the promiscuous proclamation of the gospel and the urgent call to all hearers to repent and believe with the promise that all who believe shall be saved David J Engelsma Emeritus Professor Protestant Reformed Seminary *Living for God's Glory* Joel R. Beeke, Sinclair B. Ferguson, 2008 In this introduction to Calvinism Joel Beeke with contributions from Sinclair Ferguson Michael A G Haykin Derek W H Thomas and others displays the biblical God centered comprehensive and practical nature of Calvinism Explore Calvinism in history in the mind in the heart in the church in society and more *Andrews University Seminary Studies* Andrews University. Seventh-Day Adventist Theological Seminary, 2007 **Mid-America Journal of Theology**, 2007 *A Multi-Intentioned View of the Extent of the Atonement* Gary L. Shultz, 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in

common both believe that Jesus died for a single intended purpose But what if God's intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins     Perspectives on the Extent of the Atonement Andrew David Naselli, Mark A. Snoeberger, 2015-02-01 Perspectives on the Extent of the Atonement presents a point counterpoint exchange concerning God's intention in sending Christ to die on the cross All three contributors recognize a substitutionary element in the atoning work of Christ but disagree over the nature and objects of that substitution     *Theologians of the Baptist Tradition* Timothy George, David S. Dockery, 2001 A resource for pastors students and teachers to discover Baptist contributions to Christianity's theological heritage     *Putting On Virtue* Jennifer A. Herdt, 2012-05-09 This work reveals how a distrust of learned and habituated virtue shaped both early modern Christian moral reflection and secular forms of ethical thought The author's broad historical sweep takes in the Aristotelian tradition as taken up by Thomas Aquinas and has chapters on Luther Bunyan the Jansenists Hume and others     *Free Grace Maintained & Improved* Mather Cotton 1706, 2025-11-05 Free Grace and the Gospel Call God's Offer and the Work of His Sovereign Love A Classic Defense Of Divine Grace For All Who Long To Understand How God Calls Redeems And Transforms His People In every age the Gospel of Jesus Christ is freely offered to the world but it is only through the power of divine grace that any heart is truly moved to believe This timeless work first written to clarify the harmony between God's sovereign grace and His universal call to sinners speaks with remarkable freshness to believers today Free Grace and the Gospel Call shows that the message of salvation is both a universal offer and a particular work The Gospel goes out to all proclaiming God's mercy to every soul yet only those chosen and called by the Spirit are able to receive it with faith Far from diminishing human responsibility or God's compassion this truth magnifies both It reveals the depth of man's need and the greatness of God's love that overcomes it In these stirring pages you will discover How the general offer of salvation magnifies God's patience and goodness Why election redemption and calling display the richness of divine love What it means that human will is impotent without grace and yet still accountable How the doctrines of grace when rightly understood lead to humility gratitude and obedience Why the truth of predestination is not cold philosophy but the warm foundation of worship The author's purpose is not mere debate it is devotion He writes as one eager to lead readers away from empty controversy and into heartfelt worship True theology he reminds us always ends in praise The clearer we see God's sovereignty the deeper we bow before Him the more we grasp the freeness of His grace the stronger our love and holiness become This edition presents the work in clear updated language while preserving its Puritan warmth and precision Whether you are a student of theology or a believer longing to grow in

grace this book will help you behold the glory of the Gospel how God freely offers salvation effectually calls His own and sustains them by the power of His love If you have ever wrestled with questions about divine election human will or the meaning of God's free offer to sinners this book will deepen your understanding and awaken your worship      **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,2004      Religious and Theological Abstracts ,1997      **Baptist Theologians** Timothy George,David S.
