

## **Graduation Speech Sample**

Good evening friends, family, faculty, and fellow graduates.

As we stand here today, on the brink of a new chapter in our lives, it's hard to believe that it's already been four years (or however long it took us to get here). It seems like just yesterday that we were nervously stepping onto campus, not quite sure what to expect.

But as we look back on the past four years, it's clear that we've come a long way. We've made new friends, learned new things, and grown as individuals. We've faced challenges and overcome them, and we've learned to persevere through difficult times.

And as we move on from this chapter in our lives, I encourage each and every one of us to remember the lessons we've learned and the experiences we've had. These experiences will shape who we are and how we approach the world, and they will serve us well in the years ahead.

But before we get too ahead of ourselves, let's take a moment to reflect on how we got here. I'm sure we all have different stories and experiences, but there are a few things that I think we can all relate to.

For starters, I'm sure we can all agree that college is a lot of hard work. Between classes, assignments, and exams, it's easy to get bogged down and feel overwhelmed. But despite the challenges, we've persevered and made it to this point.

I'm also sure that we've all had moments where we felt lost or unsure of ourselves. It's natural to feel that way, especially when you're trying to navigate a new environment and figure out your place in the world. But despite these moments of uncertainty, we've found our footing and discovered our passions.

And most importantly, I'm sure we can all agree that college has been an amazing experience. We've had the opportunity to learn from some of the best professors in the field, engage in meaningful discussions and debates, and be part of a community of like-minded individuals.

So, as we move on from this chapter in our lives, let's remember to be grateful for the experiences we've had and the people who have supported us along the way. To our parents, who have always believed in us and encouraged us to pursue our dreams, thank you for your unwavering love and guidance. To our teachers and mentors, who have imparted their knowledge and wisdom upon us, thank you for your invaluable guidance and encouragement. And to our friends, who have stood by us through thick and thin, thank you for your friendship and support.

## **Nursery School Graduation Speech:**

*Little Voices* Rodney St. Michael, 2000-06-22 This is the author's true story. In 1991 as a foreign student in California the author studies for a computer science degree and excels academically and gets along very well with his American friends. But later five invisible voices call on him whispering instructions for a prophetic message. The author then strives to find a rational explanation for this phenomenon attempting to authenticate it with coded illustrations. But he is eventually confined in an American psychiatric hospital diagnosed with paranoid schizophrenia. And after discovering the scientific community's viewpoint that all Biblical prophets are mentally ill the author rethinks all his beliefs including his faith in God. He inevitably returns to the Philippines where he meets a beautiful girl who becomes his best friend. Surprisingly in 1999 he discovers an authenticating key for his message within an ancient writing system of an indigenous tribe located in the girl's native province. Unknown to the author previously their writing is remarkably similar to the codes he drew six years earlier. REVIEW I thought it was very informative and it will be very helpful to students to be exposed to it.
