find this journal filled with writing prompts is perfect for improving children's imagination, creativity, reading skills, vocabulary, and comprehension. The writing prompts in this book are ideal for children in the 2nd, 3rd, 4th, and 5th grade, but older students will also enjoy the interesting topics and fun story starters. This is an ideal book for parents looking for a way to extend their child at home. What's more, the finished journal makes a fantastic keepsake. If you homeschool or tutor a child, this is a great way to get their creative juices flowing. Teachers will love this brilliant book of prompts with a topic for every occasion. You'll never run out of creative writing ideas and interesting story starters. This book is a great gift for aspiring writers. Here are a few examples of great prompts in the book: You blow out your birthday candles and make a wish. Immediately the wish comes true. What did you wish for? What happens? Your dad is a scientist. One of his top secret projects is to bring the dinosaurs back to life. He's brought a baby dinosaur home from the lab. How do you look after it? What type of transportation will people have in the future? A strange little door appears in your bedroom. You can squeeze through the door if you try. What do you find on the other side? Writing prompts include interesting story starters but also would you rather questions like would you rather be able to fly or be incredibly strong and persuasive essay topics to improve debating skills.

Story Starters for Little Kids Alphabet Publishing, 2020-06-30 This journal has 68 different picture ideas to get them thinking, fire their imagination, and fill them with enthusiasm. Make writers block a thing of the past and watch the blank pages fill up as inspiration strikes. EBOOK: Children's Literature and Computer Based Teaching Len Unsworth, Angela Thomas, Alyson Simpson, Jennifer Asha, 2005-06-16 This stellar book extends teachers' thinking well beyond book spaces and into digital spaces by offering theorized approaches to analyzing children's literature across media and careful descriptions of effective learning activities that are rich in detail and practical advice. This book and its digital spaces is an indispensable guide to engaging with children's literature and new digital media. Michele Knobel, Montclair State University, USA. The book overall is exciting, informative, and practical, outlining important theoretical perspectives and ideas while also providing much wisdom and advice to teachers about how to transform their literary programs. Frances Christie, Emeritus Professor of Language and Literacy Education, University of Melbourne, and Honorary Professor of Education, University of Sydney, Australia. This book connects classroom teaching of children's literature with the digital age. It celebrates the charm of children's literature and its role in literacy development, as well as the appeal of information and communications technology (ICT) to students and its capacity to enrich students' learning and enjoyment of literary texts. The authors outline the ways in which children's literature is developing new dimensions, for example, the republication of children's books on CD-ROM and the world wide web. Web resources for working with literary texts, including e-mail, discussion groups, children's participation in the collaborative construction of online narratives. The book provides practical guidance for teachers who are inexperienced with ICT. It describes and discusses implementation of activities that extend

traditional approaches to literary texts and take advantage of available technology
