### **Plato: Meno**

Plato,2021-10-06 As one would expect from the team of Brann Kalkavage and Salem their edition of Plato s Meno is a fine one The translation meets their stated goal of remaining as faithful as possible to the Greek while using lively colloquial English Their notes are consistently helpful and will be particularly useful to those readers willing to explore the nuances of Plato s extraordinary prose Their introduction is clear and compact and it highlights the most philosophically important themes of the dialogue One particularly useful feature of this edition is the manner in which it displays the diagrams Socrates draws in order to illustrate his famous square within a square Instead of relegating them to the notes it integrates them into the text of the dialogue itself Readers are able to follow along and watch Socrates actually construct them David Roochnik Boston University

Thomas,2012-12-06 The objectives of this book are to provide a new translation of Plato's Meno together with a series of studies on its philosophical argument in the light of recent secondary literature My translation is based mainly on the Oxford Classical Text 1 Burnet's *Platonis Opera* Oxford Clarendon Press 1900 Vol III In conjunction with this I have made extensive use of R S Bluck's *Plato's Meno* Cambridge University Press 1964 At critical places in the dialogue I have also consulted A Croiset's *Gorgias* Menon Bude text My debt to two other sources will be clearly in evidence They are E S Thompson's *Plato's Meno* London MacMillan 1901 and St George Stock's *The Meno of Plato* Oxford Clarendon Press 1894 One of the greatest difficulties facing a translator is to achieve a balance between accuracy and elegance Literal translations are more likely to be accurate but alas they also tend to be duller Free translations run into the opposite danger of paying for elegance and liveliness with the coin of inaccuracy Another hurdle for a translator of a Platonic dialogue is posed by the challenge to maintain the conversational pattern and fast moving character of the discussion This is easier where the exchanges are short but much more difficult where Socrates gets somewhat long winded The Educational Testing Act of 1981 United States.
