Raising Ours: A Black Parenting Guide for the New Generation Jahi Banks, 2025-08-12 Raising Ours is not your typical parenting book. Written by Jahi Banks, a husband, father, and proud native of Washington D.C., this guide speaks directly to Black fathers, mothers, and families searching for resources that reflect their reality, their culture, and their power. Too often, parenting advice ignores the voices of Black fathers or treats them as absent. Raising Ours flips that narrative, placing Black fathers at the center and affirming what has always been true: we've been here, raising, loving, protecting, and guiding our children. Blending personal stories with practical tools, Jahi offers guidance on healing from generational trauma before and while raising children, navigating hospitals, schools, and systems that don't always see Black families clearly. The power of intentional naming and cultural connection. Teaching respect without raising children in fear. Raising children during the pandemic and beyond. Rooting parenting in Pan African values and love. Every chapter is grounded in truth, empowerment, and presence, reminding parents that our children don't just need us to provide; they need us to show up fully. This is a book for first-time fathers, seasoned dads, mothers, and anyone committed to raising strong, grounded, and fearless Black children. Whether you're holding your first newborn or guiding a teenager through the world, Raising Ours is a bold, necessary companion for the journey of Black parenthood. Available now because raising ours means raising the future.
