Fleeing for her life, Snow runs to the Silver Forest, a place as deadly as it is enchanting, and begins an adventure she could never have dreamed. Before Beauty Brittany Fichter, 2015-03-10 Can the accursed prince and broken beauty move beyond their hatred for one another, not only to break the curse and save their kingdom but to find love as well? Prince Everard's father forged him into a warrior. Upon the king's death, however, Everard loses himself in his pain and brings a dark curse upon himself and the great Fortress that has long guarded the people of Destin. The prince's sin doesn't solely affect those of his citadel; however, Isabelle, the daughter of a local merchant, has suffered the prince's hasty temper before, and it changed her life forever. So when Everard's curse cuts off his people's source of protection and he demands that she, a crippled commoner, help him break it, her shock and horror are rivaled only by her indignation and even stronger desire to protect her family. All the while, Destin's enemy crouches at the foot of the Fortress's mountain, waiting for the right moment to capture the stronghold that has stood for a thousand years. Can Everard and Isabelle move past their brokenness to save Destin together? Or will they and their beloved kingdom remain under darkness forever? Cinderella - A Retelling with Strength and Courage Lisa Shea, 69 pages Cinderella made a vow to her mother before her mother tragically passed away on midwinter s day Ella swore to watch over her father and care for him But then her father married anew Her stepmother and two stepsisters took sharp delight in causing Ella grief from morn to eve They bullied her called her Cinderella and treated her as little more than a slave in her own home It took all of Ella s courage to swallow the insults and to honor her word Now the crown prince has returned home from the battlefield a ball is announced to celebrate his arrival All eligible young women from the entire kingdom are invited to attend Ella has but one desire left She wishes to see the king s gardens one last time before she leaves home It will be a final way to commemorate her beloved mother before counting her vow s terms as complete She has no idea what awaits her on that arched stone bridge Cinderella A Retelling with Strength and Courage is Book 1 of a gently cliff hangered short story series The series honors the original intention of the Grimm Fairy Tales to present women of strength and courage tackling challenges which seem insurmountable With each new book a new heroine is interwoven into the story The series sequence leads through five books up to a happily ever after ending The series is clean romance and is suitable for teens and up Readers have the option to read each tale one by one or to get the complete set which contains all five tales As fairy tales are so integral to so many young lives it was critical for me to do my very best to present each heroine in a way which honored her strength and showcased her ability to stand on her own It took me over five years to craft this series I feel strongly that no woman should ever sit around waiting for a man to rescue them Women should not endure abusive behavior in the hopes that a man will change or
