transport management. The main objective, however, is to harmonise the road and rail transport. This will increase efficiency and reduce costs for road and rail transport. The European Commission has proposed a package of measures to harmonise road and rail transport. The package includes measures to harmonise road and rail transport.

Wie sind sie aufgebaut?

Since the 1980s, and especially throughout the 1990s, there were three big changes in the way that the European Union does things. One was that there were more discussions and negotiations, but nothing was necessarily determined by a majority vote. The other was that there was a "democratic dimension" and the European Union had to be more "democratic" (meaning "more democratic").
