Rise Of The New World Order The Culling Of Man:

Rise of the New World Order ,2013 So what is the New World Order you might be wondering The New World Order is the transitional phase between sovereign nations and a one world government run by the Luciferian global elite under Lucifer and his human representative the Antichrist This is exactly what is prophesized in the Bible this is exactly the end goal of the New World Order and this is exactly what is unfolding before us today They are very close to achieving their objective You probably don t understand yet how bad this will be for us but by the end of this book you will have learned all of the most important moving parts of it and how they interlock to form a pyramidal compartmentalized conspiracy run by a very few Luciferian families and to the ultimate benefit of only a few thousand of the people involved with bringing the one world government in They have all jockeyed or are jockeying for position in it right now to live under it and benefit from it in the times to come If what they were trying to do was for the good of humanity they would be doing it out in the open instead of behind closed doors under the veil of secrecy Only evil acts are done in the dark away from concerned eyes The story of the Great Plan coming to fruition is such that one cannot explain it to the layman to the point of him or her understanding it without a fully rehearsed 24 hour speech It is such a vast interconnected web of deceit that the only way to explain it is to lay out all aspects of it showing how the dots all connect So this is what you now have at your disposal from me My written speech in book form that will take you about 24 hours straight to read The reason it takes so long to explain it is the same reason why someone could be called a conspiracy nut by piping off about only one element of it Without knowing all of the elements and the facts behind them you can t even begin to visualize the real conspiracy and it s easy to pass off people ranting about the Federal Reserve or the United Nations as lunacy and then go back to the personal non reality bubble most people these days reside in Time has been on the side of the 6 000 year old Great Plan and they have moved their agenda along slowly and covertly enough so as not to arouse suspicion from the population at large That s not to say that people haven t been trying to call this conspiracy out for millennia Even the warnings of God s prophets and Jesus Christ Himself throughout the entire Bible have for the most part fallen on deaf ears Again you now have a book available of as dire of a warning as I was able to manifest and hopefully you understand this warning at this point Only independent type thinkers have been able to step outside of the proverbial box over the years and view what is happening without blinders The result of those thinkers has been a crescendo of books lectures and video presentations trying to warn the world of what is going on along with an even greater crescendo of denial and mud slinging from the Establishment owned Mainstream Media shouting them down and labeling the truth as conspiracy theory This has successfully discredited the truth movement to a point where it has been for the most part an effort in vain much to the detriment of humanity I m working on the sequel to this book right now due out Summer of 2015 Please support my efforts by purchasing a copy of my book I m self published and need your help God bless all Jeff

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07

YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Gangstalking and Psychic Possession: Servants of the Master Builders of Illusion Eliza M Parr, 2021-01-28 If Gangstalking destroys the lives of millions why is it allowed to exist As a tool of the elite using other worldly entities mind control and technology it protects the illusion controlled by the Master Builder s and allows the Serpent in everybody s subconscious to control them by concepts and impressions a necessary device linked to corporate profits as well as the maintenance of the illusion The original instigators of civilization still oversee and control the evolution of illusion down here on earth This book answers the many questions both spiritual and practical as to the irrational activity of Gangstalking It details the concealed reality which co exists underlies monitors and controls this one A reality of psychic possession shape shifting daimons Energies devoted to impeding the emergence of mankind s true Glory for the sake of maintaining control of the illusion You may not like everything that you read in this book but you after you have read it you will be in no doubt that it is time to awaken to long hidden truths about how the world works and not who but WHAT controls it and why Contains inside and on back cover photographs of shape shifting demonic materialization s linked to gangstalking and gangstalkers themselves Chapters include 1 Who is behind this 2 The possessed seeking to possess others 3 Freemasonry is the church of the Serpent 3 Recognizing the energy that isn t you re claiming the lost vision 4 Understanding the evolution of psychic possession 5 Incarnation of the soul and the soulless 6 The Serpent in the garden 7 The beatific state without the Serpent 8 Why the Master Builders suppress the beatific state for the propagation of illusion 9 The usurpation of individuality and empowerment leaves us slaves to the Master Builders illusion 10 Asset management and the order of the Knights of Malta 11 The Serpents control depends upon lack of love putting out the human nodes of light 12 Mind control the suckers 13 Brutalizing the awakened the Serpents only threat 14 Why Gangstalkers steal the jewels of the solar plexus chakra and Chi 15 Why the electronic mind control of society is necessary 16 Generated fracas keeping

communities mediocre by artificial intelligence gangstalking and technological thugs 17 Tech to achieve take over by their fruits ye shall know them 18 Unlimited personal power is counteracted 19 Energetic beings made real and formed from your body 20 Technology for the supplantation hybrid cyborg slaves 21 Targeted individuals and gangstalking 22 Taking our power back from the Master Builders the dawning of a new kingdom 23 Fallen Angels **Biblical Eschatology:** Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book F*ck the Planet Daniel Jupp,2025-02-28 We are told that the planet is dying We are told that we are to blame We are told insane things that we need to worry about cow farts changing the climate and to accept huge spending on unreliable energy supplies And none of it makes sense while all of it makes us poorer and the people who propose it richer All of it is forced on ordinary people who don t want it by leaders who don t care about the things we care about including our lives and our way of life It s all about their clown planet and none of it concerns

our very real world For many people in the western world today it seems as if our leaders our mainstream media our institutions and our political parties have gone insane Now our economies are failing our standards of living are falling our ruling class treat their own people with ever increasing authoritarianism our borders are opened and our wishes are ignored If you feel alienated by all of this and wonder what you an ordinary person who loves liberty and your country but hates what your government is doing can do then this book is for you It doesn't just describe the growth of Globalist censorship and authority but equips you with the attitudes and tactics you need to peacefully resist This is the book that gives you the tools to protect the things that really matter

The Last Harvest Lucien Mars, What if your beliefs about reality were wrong The Secret History of Angels Demons Aliens and the militarized Culture of Fear in these final days Lucien Mars reveals the secret history of humanity contained in an ancient ME stone or computer crystal known as a flaming stone GirKu chronicle Included are the galactic wars that led to the Fall described in the bible and why alien cultures such as the Anunnaki and others want to enslave Earth For the first time the full history of Lucifer and the Fall is revealed with a stunning conclusion affecting everyone as the fate of humanity hangs in the final balance Uncover the mystery of the Dark Goddess Lucifera mother of the genetic re creator known as Lucifer who plays a leading role in this cosmic drama The book provides a blistering expose that explains how the Illuminati were genetically related to Lucifer and spawned the socio fascist New World Order The contents may shock your conceptions of reality as the final earth shattering pieces of the cosmic puzzle are being instituted to depopulate the planet and recolonize it with a hybrid race of super humanoids designed to serve and worship the new World Order How will you respond to Humanity's Eviction Notice Engraved upon the Anonymous Georgia Guidestones The Illuminati Plan they have prepared for you is summarized on the monolithic Georgia Guidestones erected in Elbert County anonymously in 1979 in a faux Stonehenge fashion Engraved on the stones are ten neo fascist commandments politically spun into Orwellian instructions More importantly they unveil a fascist plan for eugenic extermination and global genocide The first commandment reveals all the rest Maintain humanity under 500 000 000 in perpetual balance with nature Since the world's population now stands at 7 8 billion what shall be done with the expendable 7 3 billion The alien answer seems the most obvious First institute species integration followed by militarized assimilation and final hybridization of 500 000 000 aliens over time and systematically exterminate the rest That's The Plan carved in stone for all to see So the question remains Are they humanity's guide stones or tombstones Find out inside

The Culling of Man Jeff Hays, 2013-01-20

The Reset David Klooz, 2020-12-29 There is nothing new about the plan for the World Economic Forum and their slogan for 2021 the Great Reset It is the same thing

they have been saying for the last 10 years only with a different slogan There are two problems with this year's slogan While the meaning is no different technology has started to catch up to the world wish of the obscenely wealthy psychotic and sociopathic greedy individuals that make up this 01% of the population making it easier for their wish to become a reality Remember the Rothschild and Rockefeller Elite money made the forms of government in Russia and China as models with the Chinese form of Capitalist above and Serfdom below the winning model That is why Agenda 21 reads like the Communist Manifesto The second thing is that the not so coincidental Covid 19 Plandemic gives these psychopaths the opportunity to try out some controlling and political psychological operations on the general population Again while not new this time it is more in your face rather than secret drugs chemicals and pathogens given to the general population without them knowing that it was being done There is a definite attempt to tear apart the current social fabric of the West with current the use of lockdowns masks and social distancing policies that are producing devastating effects on short and long term public health The results to name a few include lower childhood vaccination rates worsening cardiovascular disease outcomes fewer cancer screenings and thus increasing mortality from cancer and heart disease and rapidly and exponentially deteriorating mental health leading to greater excess mortality in years to come with the elderly and younger members of society carrying the heaviest burden Keeping students out of school is a grave injustice and deprivation of necessary social skills for the young Also keeping seniors away from family friends and community activities is at the best inhumane In the meantime the lockdowns keep destroying independent business owners and allow politicians to decide who and what is essential thus culling the middle class and making the poor poorer Keeping these measures in place until a vaccine is available will cause irreparable damage with the underprivileged disproportionately harmed to say nothing of the efficacy and safety of the vaccine itself which is using a completely untested type of vaccine i e m RNA using nanotechnology Follow the Science This is all Consensus Science It is politics not Science that follows the Scientific Method When have you ever heard of quarantining the healthy When have you ever heard of masking the healthy so you are leery and suspect of every passing person Never is the answer There is a very real attempt to isolate each individual from their family their religion from their friends and their community When have you ever heard of a vaccine that is untested in animal studies being rushed to humans with untested technology including nanotechnology and changes to the individual's DNA Never is the answer This is all to protect us against an alleged pathogen that only severely affects less than 1% of the population They have already destroyed the economy and the political justice and educational systems Let us stop them before they destroy the entire social fabric of humanity We have to stop listening to the lies and begin educating our hearts and minds to awaken them instead of sleeping History will not take these efforts into account but they will have been made The key is that the capacity and choice to do so exists in 99.99% of humanity We must identify and remove the 01% who do not have that capacity from power Remember question everything be rational read learn talk with your friends our civilization depends upon it If you still

believe this is not happening then what you will see is that the illusion of freedom will continue as long as it is profitable to the Zionist cult to continue the illusion At the point where the illusion becomes too expensive to maintain they will just take down the scenery they will pull back the curtains they will move the tables and chairs out of the way and you will see at the back of the theater Emperor Rothschild sitting in his chair in Jerusalem We cannot survive any longer by hanging onto the lies of the past and the re writing of our true history Reality must be recognized at all costs if we are to be a part of the future Truth must prevail in all instances no matter who it hurts or helps if we are to continue to live free upon this earth At this point what we want may no longer matter It is what we must do to ensure our freedom and survival that counts The life and freedoms are being destroyed and a New World Order is beating down the door To cling to the past is certain suicide To remain apathetic is assured enslavement To learn the truth and then act upon it is the only means of survival at this moment To shrug off the information contained in this book and to disregard its warning will result in the complete destruction of any freedoms we have remaining Like it or not this is the stark reality There will be no second warning You can no longer turn your head ignore it pretend it is not true say it can't happen to me run or hide The wolf is at the door
