**Catholic Social Learning** Roger C. Bergman, 2011 The canon for Catholic social teaching spreads to six hundred pages yet fewer than two pages are devoted to Catholic social learning or pedagogy In this long needed book Roger Bergman begins to correct that gross imbalance He asks How do we educate lead out the faith that does justice How is commitment to social justice provoked and sustained over a lifetime To address these questions Bergman weaves what he has learned from thirty years as a faith that does justice educator with the best of current scholarship and historical authorities He reflects on personal experience the experience of Church leaders lay activists and university students and the few words the tradition itself has to say about a pedagogy for justice Catholic Social Learning explores the foundations of this pedagogy demonstrates its practical applications and illuminates why and how it is fundamental to Catholic higher education Part I identifies personal encounters with the poor and marginalized as key to stimulating a hunger and thirst for justice Part II presents three applications of Catholic social learning cross cultural immersion as illustrated by Creighton University's Semestre Dominicano program community based service learning and the teaching of moral exemplars such as Dorothy Day Rev Martin Luther King Jr and Archbishop Oscar Romero Part III then elucidates how a pedagogy for justice applies to the traditional liberal educational mission of the Catholic university and how it can be put into action Catholic Social Learning is both a valuable practical resource for Christian educators and an important step forward in the development of a transformative pedagogy [Send My Roots Rain](#) Megan McKenna, 2010-05-05 Megan McKenna has long been well known in the Catholic community as a writer speaker and teacher In her lectures and writings McKenna focuses on the central place of storytelling in the spiritual life and on the role of the storyteller as a teacher She explores the illuminating power of stories examining both traditional and contemporary tales that are integral parts of Christian Zen Jewish Sufi Native American and many other spiritual traditions

**Rehearsing God's Just Kingdom** Stephen S. Wilbricht, 2013 In the course of a teaching and writing career cut too short Mark Searle 1941 1992 provided a worthy contribution to the study of liturgy The breadth of his liturgical interests and his desire to integrate a wide range of academic areas with the study of liturgy mark this scholar as a gifted thinker and author arguably a pioneer In Rehearsing God's Just Kingdom Stephen S Wilbricht explores Searle's basic conviction that liturgy represents rehearses and forms in its participants the essential commitments of the Christian community Searle called for the church's liturgy to be embraced as a rehearsal that is performed over and over again and again until it is practiced perfectly in the kingdom of heaven In an age when so much depends on instant gratification and in which institutional commitment is often held in contempt Searle's thinking provides an avenue for liturgical renewal that hinges upon a respect for and trust in ritual forms and behavior [Ex Audit](#), 2006 **Maryknoll**, 1998 **International Peace Research Newsletter**, 1997 **Gandhi**
