Road To Damascus Road To Damascus A True Story:

Road to Damascus Jazz Shaban, 2014-11-20 Spanning 30 years Road to Damascus is the true story of sisters Suzan and Jigi Separated as children they are brought up in different countries neither knowing of the other whereabouts Twelve year old Suzan is taken by her mother to Amman Jordan after the death of her father in 1965 But Jigi Suzan's baby sister and born with a rare bone disease is left behind in a south London hospital Their mother promises the authorities that she will return to London after she has buried her husband but she doesn't Moving from hospital to a children's home in Oxfordshire Jigi knows little of her family background or that she has a sister at all Armed with a cast iron determination not to conform to stereotype Jigi bumps and crashes her way through school expecting freedom a fun and Simon Le Bon when she finally leaves What she finds is discrimination loneliness and an ill prepared society that has no use for society's rejects Arriving back in Amman Suzan is passed around various family members for the next six years while her mother embarks on a new life without her Forced to marry a Syrian man she loathes on sight Suzan's dreams are finally shattered She will never return to her beloved England Instead she gains a veil a violent husband and a cruel nagging mother in law from whom there is little escape However a life destined for purpose is seldom left to chance Discovering that her mother has made a mysterious visit to London Suzan sets out to find the baby sister she has had no knowledge of for nearly two decades Knowing nothing of what she is about to get into but in need of adventure Jigi embarks on a roller coaster trip that will change her life forever Surviving the Middle East's suffocating heat and the relentless chaos within a family she has never before set eyes upon Jigi returns to London with a money belt stuffed to bursting vowing never to touch Arab soil again But she does again and again compelled to do so by a reckless nature and a truckload of unresolved business When Suzan's husband's temper unintentionally kills his mother and his cowboy antics put him in prison Suzan finally takes to her prayer mat Perhaps she will at last find peace in Islam However Jigi's road to salvation takes a different course Driven by her sense of rootlessness Jigi searches for the only God she has ever known a benevolent but distant entity she met briefly in Sunday School During a particularly turbulent trip on a road to Damascus Jigi and Suzan finally come to terms with their separate destinies and together face the mother who abandoned them

Holy War David Anderson, 2004-07 Holy War The Blood of Abraham Echoes from Nag Hammadi saying to all three Religions I am not the God you think you know is a book about the 1945 discovery at Nag Hammadi and how in time it will alter the future of Christianity as well as Judaism and Islam Through the lens of this discovery it addresses two important questions What is the role of the religions of Abraham in present world conflict Is only Islam to blame or also Judaism and Christianity It exposes

the underlying flaws that are built into each of these three religious belief systems and although it leaves it to the reader to decide argues that culpability for Islamic terrorism lies not only with the failures of Islam but also with the failures of Judaism and Christianity It is a book that calls on its readers Christians Jews and Muslims and all others to look within themselves in search for answers to the most important questions facing our world today *St. Paul the Apostle* Irving Brittle Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In *St Paul the Apostle* author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ St Paul the Apostle also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today **Hans Frei & Karl Barth** David E. Demson,2012-08-01 Endorsements Karl Barth and Hans Frei are close to the center of contemporary hermeneutical debate David Demson s illuminating study offers an authoritative account of their respective ways of reading Scripture arguing that for all its fruitfulness Frei s work lacks a theology of inspiration such as Barth provides Scrupulous and nuanced in its handling of the texts this book is a perceptive contribution to the literature of both Frei and Barth It is also a place to begin exploring key theological issues concerning biblical interpretation theory of interpretation and Christology John Webster Oxford University The whole of Christian discourse is contained in the tiny glittering questions that Demson so marvelously brings to light His work is the work of a hermeneutical master in the service of other hermeneutical masters Hans Frei and Karl Barth The result is a brilliant restatement of Frei on the identity of Jesus Christ amplified and qualified by astute attention to Barth An outstanding contribution to the ecclesial reading of Holy Scripture George Hunsinger Center of Theological Inquiry Taking a narrow focus a single difference in the interpretation of Scripture by two twentieth century theologians Demson has succeeded in opening up a wide theme Here is a fascinating account of how the reading of the Bible remains a living challenge for contemporary Christians Kenneth Hamilton University of Winnipeg A careful description and able comparison of two significant theologians expositions of the Gospel accounts of Jesus ministry passion and resurrection Demson who is impartial but not neutral in his stance provides helpful synthetic insight into how Barth and Frei each treat a broad theological theme

and at the same time gives readers constructive proposals for explicating New Testament texts This book is a welcome contribution to all for whom attending to the Bible and doing theology are inseparable H Martin Ruscheidt Atlantic School of Theology Author Biography David E Demson is professor of systematic theology at Emmanuel College University of Toronto and serves on the Board of Directors of the Karl Barth Society of North America Tarbell's Teacher's Guide to the International Sunday-school Lessons for 1912, 1914 Martha Tarbell,1911 Religion, Philosophy & History Thomas Banks Strong,1923 **Acts of the Apostles** Babu Immanuel,2017-10-01 The India Commentary on the New Testament ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language from a contemporary Indian context The intended audience is the theological seminary or bible college both students and faculty The commentaries are also ideal for pastors and lay people with an interest in theology or responsibilities for preaching in the local congregation The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent to the ICNT and hence this is the first Indian commentary serving India the entire subcontinent India Nepal Bangladesh and Sri Lanka and the world The ICNT is an affordable evangelical commentary series written by respected academics in everyday language providing a well informed meaning of the New Testament and practical reflections for modern India The Historical Geography of the Holy Land George Adam Smith,1906 **Christian Science Sentinel** ,1914 *The Historical Geography of the Holy Land especially in Relation to the History of Israel and of the Early Church* by George Adam Smith George Adam Smith,1897 ICNT: Acts of the Apostles Babu Immanuel Venkataraman,2016-07-05 The ICNT series aims to give a well informed exposition of the meaning of the text and relevant reflections in everyday language for today s Indian context The intended audience is the theological seminary or bible college both students and faculty However the commentaries are also suitable for pastors and lay people with an interest in theology The commentaries are culturally rooted and the various applications relating to culture society and religious life will help those involved in cross cultural evangelism and mission work There is no direct equivalent of the ICNT and hence this will be the first Indian commentary series serving India and hopefully the entire subcontinent India Nepal Bangladesh and Sri Lanka **Teachers' Guide to International Sunday School Lessons for [Jan.-Dec.] 1912** Martha Tarbell,1911 Getting the Real Story Gerald B.
