**Reluctant Readers** Ron Jobe, Mary Dayton Sakari, 1999 This detailed book outlines the characteristics of reluctant readers strategies for reading success how to overcome barriers and more Cf Our choice 1999 2000 **Sight and Sound**, 1998 **Homeschooling and Libraries** Vera Gubnitskaia, Carol Smallwood, 2020-04-30 As families are looking for better ways to educate their children more and more of them are becoming interested and engaged in alternative ways of schooling that are different separate or opposite of the traditional classroom Homeschooling has become ever more creative and varied as families create custom tailored curricula assignments goals and strategies that are best for each unique child This presents a multitude of challenges and opportunities for information institutions including public academic school and special libraries The need for librarians to help homeschool families become information and media literate is more important than ever This collection of essays provides a range of approaches and strategies suggested by skilled professionals as well as veteran homeschool parents on how to best serve the diverse needs and learning experiences of homeschooled youth It includes information on needs assessments for special needs students gifted students and African American students advice on how to provide support for the families of homeschoolers case studies and information on new technologies that could benefit libraries and the homeschooler populations that they serve The Languages of Humor Arie Sover, 2018-09-20 Why are things funny How has humor changed over the centuries How can humor be a political force Featuring expert authors from across the globe The Languages of Humor discusses three main types of humour verbal visual and physical Despite the differences between them all have a common purpose showing us in different ways the reality that we live in and how we can reflect on that reality To this end the book shows how humor has been used to address such topics as the Holocaust and the Soviet Union and why it has been controversial in cases including Charlie Hebdo The Languages of Humor explores a subject that is of interest in a wide range of intellectual disciplines including sociology psychology communication philosophy history social sciences linguistics computer science literature theatre education and cultural studies This volume features contributions from world leading academics some of who have professional backgrounds in this field This unique research led book which includes over 20 illustrations offers a top down analysis of humor studies Steven Spielberg's Children Linda Ruth Williams, 2025-08-12 Why has Steven Spielberg s work been so often identified with childhood and children How does the director elicit such complex performances from his young actors Steven Spielberg s Children is the first book to investigate children childhood and Spielberg s employment of child actors together and in depth Through a series of lively readings of both the celebrated performances he elicits from his young stars in films such as E T The Extra Terrestrial A I Artificial Intelligence and Empire of the Sun as well as less discussed roles in films such as War of the Worlds The BFG and Jurassic Park this book shows children to be key players in the director s articulation of childhood since the 1970s Steven Spielberg s Children presents children and childhood in some surprising ways not only analyzing boyhood and girlhood

according to Spielberg but considering children as alien adult children who refuse to grow up and children who aren't even human. It discusses the way in which children have served to cast Spielberg as a sentimentalist but also how they are more frequently framed as complex, cruel and canny. The child might be dangled as bait in an exploitation horror scenario. Jaws might become the image of universal higher beings. Close Encounters of the Third Kind or might be a young cultural creator like the director was himself. The Fabelmans born with a camera glued to his eye. The child on both sides of the camera is a resonant image signifying all that adult culture wants it to be yet resisting this through authorship of their own stories. The book also looks at Spielberg's young actors in the long history of child stars in theater and cinema and how Spielberg's children have fared as performers and celebrities.

**Playing with Language** Marcy Zipke, 2021. The cognitive skill set known as metalinguistic awareness is an important component of reading ability. This guide for educators K-6 scales activities and teaching strategies to students' age, linguistic background and individual strengths and challenges. It offers suggestions for introducing metalinguistic concepts like phonological, semantic and syntactic awareness with fun activities like games, songs, rhymes and riddles.

**A Guided Reader to Early Years and Primary English** Margaret Mallett, 2015-10-23. A Guided Reader to Early Years and Primary English draws on extracts from the published work of some of the most influential education writers to provide insight, guidance and clarity about key issues affecting early years practitioners and primary English teachers. The book brings together key extracts from classic and contemporary writing and contextualises these in both theoretical and practical terms. The extracts are accompanied by a summary of the key ideas and issues, raised questions to promote discussion and reflective practice and annotated further reading lists to extend thinking. Taking a thematic approach and including a short introduction to each theme, the chapters cover Models of and approaches to early years and primary English; Speaking and listening in English lessons; story telling; drama; booktalk and debate; Reading and responding to texts in English lessons; Writing in English lessons; finding a voice; Knowledge about language; grammar; spelling; punctuation and handwriting; The rich landscape of children's literature; Non-fiction in English lessons; Planning, assessing and recording children's progress; the learning cycle. Aimed at trainee and newly qualified teachers, those working towards Masters level qualifications and all those involved in the teaching of early years and primary English, this accessible but critically provocative text will be an essential resource for those that wish to deepen their understanding of early years and primary English education.

**School Library Journal**, 2004. **The BFG: Plays for Children** Roald Dahl, David Wood, 2014-10-28. Fun to perform, plays ideal for the classroom. Everybody loves the BFG. Now children can bring him to life. David Wood has created seven short playlets to read and perform. This also includes notes on simple staging, props and costumes. The plays can be produced with the minimum of experience and resources. Similar in format to *The Twits* and *The Witches*. Plays for Children. Children will have a phizzwizzardly good time and their friends won't believe their gogglers.
