Before becoming a writer, Roald Dahl had a diverse career. He served in the Royal Air Force during World War II as a fighter pilot. After the war, he worked for the Shell Oil Company and as a diplomat.

Dahl's writing career took off in the 1940s with his short stories for adults. However, he gained widespread recognition as a children's author in the 1960s. His books have since become classics, translated into numerous languages and adapted into movies and stage productions.
