Roald Dahl's Marvellous Medicine Tom Solomon, 2016 Roald Dahl's doctor provides a fascinating exploration of how his extraordinary interactions with medical science affected his life and his literature Storyteller Donald Sturrock, 2011-09-13 Originally published in hardcover in 2010 Roald Dahl's Guide to Railway Safety Roald Dahl, 1991 Popular Children's Literature in Britain Julia Briggs, Dennis Butts, 2016-12-05 The astonishing success of J K Rowling and other contemporary children's authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children's books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children's preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they consider the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success *British Fantasy and Science-fiction Writers, 1918-1960* Darren Harris-Fain, 2002 Essays on British writers of fantasy and science fiction including dark fantasy and supernatural horror Includes lesser known authors who made their own small but significant contributions to this field Discusses the impact of pulp magazines and other new magazines that focused on subgenres such as romance fiction adventure fiction Western fiction and eventually fantasy and science fiction and utopian literature a predecessor and close cousin of science fiction *Modern Crime and Suspense Writers* Harold Bloom, 1995 Provides a concise biography a selection of critical extracts and bibliography of twelve modern crime and suspense writers British Writers Ian Scott-Kilvert, 1997 **Ottley's Bibliography of British Railway History.
