Rob Hill Sr I Got You:

I Got You Rob Hill, 2013-09 This book isn't about playing a game to get what you want. It's about you looking at yourself and finding ways to learn how to grow as an individual. I cannot tell you every single step you should take to get you to where you are trying to go in life. But what I can do is make sure you have enough confidence to trust your own judgments regardless of past mistakes. I want you to understand that it's okay to be exactly where you are right now, whether you are single or in a relationship. Appreciate where your journey is taking you but be able to identify areas that need to change. I want you to read this book and have a better understanding of the present. I want you to know that trying to get it right is a constant process. We never arrive at a place of knowing it all. For as long as we are alive, we are challenged to grow, learn, evolve, and mature. Love is a decision, not a destination. It's not something you stumble upon. You must choose to walk in it, give to it, and become it. Each of us travels a different path to find the love we are searching for. Some find what they are looking for instantly, while others must jump over a few hurdles before realizing they have finally found something special. In essence, we are all just working towards what we believe we deserve: our fair chance at love and happiness. **The Missing Piece**

Rob Hill, 2018-06-05 For anyone who has suffered pain, disappointment, or a broken heart, entrepreneur and motivational speaker Rob Hill Sr shares the transformational personal story of his struggles and the invaluable lessons those difficult challenges have taught him about looking within to find the power to heal and live a purposeful life. Often the greatest opponent we face in the game of life is ourselves. We spend hours, days, and years searching for answers to the questions of our hearts. But the answer is there. Our full awareness of self, our understanding of purpose, and our appreciation for the power of love are the missing pieces needed to heal the pain so many of us feel. It was the answer to the pain I felt. These inspirational nuggets of wisdom are just a few of the priceless life lessons that have struck a chord with hundreds of thousands of people and earned Rob Hill Sr the title heart healer. Ever since Hill made the courageous decision to dedicate his life to helping others, his own painful coming of age experiences, homelessness, a damaged relationship with his father, hours spent contemplating suicide, have served as the basis for his positive message of healing and transformation. Whether you struggle with fostering healthy relationships, finding love, believing in yourself, overcoming the obstacles life tosses in your way, or any other number of conflicting human experiences, Hill's perceptive, penetrating, yet compassionate words will help you find your way. **The Missing Piece** is the captivating story of the man behind the powerful, uplifting message, part memoir and part roadmap to deep personal contentment and success. **Mama Fannie** Marian Olivia Heath

Everything and Nothing at Once Joél Leon, 2024-06-04 For readers of Kiese Laymon's Heavy and Hanif Abdurraqib's A Little Devil in America a beautiful painful and soaring tribute to everything that Black men are and can be Growing up in the Bronx Joél Leon was taught that being soft being vulnerable could end your life Shaped by a singular view of Black masculinity espoused by the media family and friends and society he learned instead to care about the gold around his neck and the number of bills in his wallet He absorbed the facts that white was always right and that Black men were either threatening or great for comic relief but never worthy of the opening credits It wasn't until years later that Joél understood he didn't have to be defined by these and other stereotypes Now in a collection of wide ranging essays he takes readers from his upbringing in the Bronx to his life raising two little girls of his own unraveling those narratives to arrive at a deeper understanding of who he is as a son friend partner and father Traversing both the serious and the lighthearted from contemplating male beauty standards to his decision to seek therapy to the difficulties of making co-parenting work Joél

cracks open his heart to reveal his multitudes In this book crafted like an album each essay is a single that stands alone yet reverberates throughout the entire collection Pieces like How to Make a Black Friend consider challenging delightful and absurd moments in relationships while others like Sensitive Thugs You All Need Hugs and All Gold Everything ponder the collective harms of society's lens With incisive searing prose Everything and Nothing at Once deconstructs what it means to be a Black man in America
