Solomon Kane The first Solomon Kane story Red Shadows appeared in August 1928 in Weird Tales and readers loved it. Here was a dark brooding world of menace and witchcraft connected pseudo genealogically to their own. It was easy for readers to take the ride to suspend their disbelief and envision Kane's adventures as a part of the real world. But perhaps the connection with the real world was too close. The countries of 1630s Europe are well known the causes of the conflict fully understood. There was only so much Howard could do in Solomon Kane's world. Moreover Solomon Kane is just a hard character to root for. Unlike Kull he is not to put too fine a point on it really not a sane man. So it makes perfect sense that after the shadowy prehistoric world of Kull and the dark necromantic world of Solomon Kane Howard would combine these two precursors to develop a world that was far enough into the distant past to be free of actual historical constraints like Kull's yet close enough to the present to still exist as echoes and legends in the world's mythologies. And so Howard created The Hyborian Age circa 10 000 B.C. And to play the role of our avatar as we explore this shadowy almost historical world he gave us Conan the Cimmerian to tread the jeweled thrones of the Earth under his sandalled feet.

The Bloody Crown of Conan

Robert E. Howard, 2004-11-23 In his hugely influential and tempestuous career Robert E. Howard created the genre that came to be known as sword and sorcery and brought to life one of fantasy's boldest and most enduring figures Conan the Cimmerian reaver slayer barbarian king. Stories such as The People of the Black Circle glow with the fierce and eldritch light of Howard's frenzied intensity Stephen King. This lavishly illustrated volume gathers together three of Howard's longest and most famous Conan stories two of them printed for the first time directly from Howard's typescript along with a collection of the author's previously unpublished and rarely seen outlines notes and drafts. Longtime fans and new readers alike will agree that The Bloody Crown of Conan merits a place of honor on every fantasy lover's bookshelf.

THE PEOPLE OF THE BLACK CIRCLE Amid the towering crags of Vendhya in the shadowy citadel of the Black Circle Yasmina of the golden throne seeks vengeance against the Black Seers. Her only ally is also her most formidable enemy Conan the outlaw chief.

THE HOUR OF THE DRAGON Toppled from the throne of Aquilonia by the evil machinations of an undead wizard Conan must find the fabled jewel known as the Heart of Ahriman to reclaim his crown and save his life.

A WITCH SHALL BE BORN A malevolent witch of evil beauty An enslaved queen A kingdom in the iron grip of ruthless mercenaries And Conan who plots deadly vengeance against the human wolf who left him in the desert to die.

Howard,2024-03-08 In *Rogues in the House* by Robert E Howard Conan the Barbarian allies with a fallen noble to overthrow a corrupt priest Nabonidus Within Nabonidus's fortified mansion they navigate deadly traps face monstrous creatures and confront betrayal The tale blends adventure horror and political intrigue showcasing humanity's predatory nature *The Complete Works of Robert E. Howard* Robert E. Howard,2022 *The Hour of the Dragon* Robert E. Howard,2018-08-04 The Hour of the Dragon by Robert E Howard's royal kinsman Nemedides and has been away from his native realm for years but he is of the blood of the old dynasty and many of the barons would secretly hail the overthrow of Conan who is a nobody without royal or even

noble blood But the common people are loyal to him and the nobility of the outlying provinces Yet if his forces were overthrown in the battle that must first take place and Conan himself slain I think it would not be difficult to put Valerius on the throne Indeed with Conan slain the only center of the government would be gone He is not part of a dynasty but only a lone adventurer We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
