Using Photography and Other Arts-Based Methods With English Language Learners Tabitha Dell'Angelo, Louise Ammentorp, Lauren Madden, 2017-10-19 This book focuses on arts based classroom practices that can be used to support English Language Learners Recognizing that all children learn differently but that the needs of children learning a new language are particularly unique each chapter offers innovative in which arts based methods can support learning across content areas This book also recognizes the intersectionality of language and socio economic status that exists for many ELLs Framing knowledge of two languages as an asset for children who otherwise may come from low resource contexts is an important feature of these chapters This edited book offers resources and practical suggestions from teachers who have successfully integrated the arts into their curriculum It is a useful resource for classroom teachers and other practioners who work with ELL learners from K 12

**Faith's Pursuit** Deanna R. Slamans, 2013-08-25 This inspiring true story is about a young woman s journey with God As a little girl she meets Him in the most unlikely place her broken heart He walks with her through her poverty and shame When He calls her forth she dares to follow and discovers that through suffering and redemption God makes Himself real to anyone who has the faith to pursue Him

*The Girl With a Thousand Interviews* Giorgi Lebanidze, 2024-05-15 Hina s life takes a pivotal turn after one disastrously awkward job interview Rather than bowing to defeat she channels her frustration into an unexpected venture launching a lingerie business The Girl with 1000 Interviews is not just about the quirky business of fashion it s a journey of resilience and audacity Hina sets an unusual goal for herself to endure 1000 job interviews This quest stemming from her initial failure becomes the backbone of a narrative rich in humor and personal growth As she tackles each new challenge Hina discovers that the world of entrepreneurship is as unpredictable as it is thrilling Throughout her adventure Hina encounters a colorful cast of characters who challenge her perceptions and push her boundaries From deceptive competitors to unexpected allies her path is strewn with encounters that test her resolve and sharpen her business acumen Each interview and interaction weaves a larger story of a woman learning to stand firm in the face of adversity As the stakes grow so does Hina s determination The business world s harsh realities clash with her vibrant creativity leading to conflicts that draw her unwittingly into deeper waters What begins as a light hearted expedition through the realms of fashion and business gradually reveals itself as a more complex narrative blending elements of thriller and mystery The Girl with 1000 Interviews explores themes of self discovery the relentless pursuit of goals and the transformation of personal setbacks into opportunities for growth Hina s story is a testament to the power of persistence and the unexpected doors that can open when life s plans go awry This novel is a unique blend of wit suspense and heartfelt drama It invites readers into a world where everyday challenges are met with extraordinary responses and where a simple job interview can lead to a life changing journey

*Equitable and Innovative Teaching Practices for Sport, Exercise, and Performance Psychology Educators* Amber Shipherd, John Coumbe-Lilley, 2025-09-26 Equitable and

Innovative Teaching Practices for Sport Exercise and Performance Psychology Educators addresses the need for a resource on practical learning and assessment activities for face to face and online instruction in sport exercise and performance psychology Specifically this book provides readers with evidence based strategies for addressing classroom challenges namely those that the COVID 19 pandemic brought to the forefront including flexible yet equitable teaching practices student engagement both in and outside of the classroom building connections in the online or hybrid classroom and innovative techniques activities assessments and course design approaches The sport exercise and performance psychology field demands that educators help learners translate evidence into practice and recognize relationships between science application and reflection Tomorrow s learners will require instructional approaches that engage them and increase their awareness knowledge and skill development so that their experience is rich deep and memorable Equitable and Innovative Teaching Practices for Sport Exercise and Performance Psychology Educators bridges the gap between pre and post pandemic teaching and learning practices that provide educators with strategies and tools to equip them for tomorrow s students and is key reading for graduate students young professionals or experienced educators in the field of sport exercise and performance psychology Active professionals in the broader fields of psychology kinesiology coaching counselling or education who may teach sport exercise and performance psychology courses or students will also find this new book a valuable resource
