## Riding The Iron Rooster Paul Theroux:

**Riding the Iron Rooster** Paul Theroux, 2006-12-08 The acclaimed travel writer chronicles a year of train travel across China in a revealing travelogue that gives the reader much to relish and think about Publishers Weekly The author of the train travel classics *The Great Railway Bazaar* and *The Old Patagonian Express* takes to the rails once again in this account of his epic journey through China The always irascible infectiously curious author is in top form as he describes the barren deserts of Mongolia and Xinjiang the ice forests of Manchuria and the dry hills of Tibet He captures their otherworldly haunting appearances perfectly He is also right on target when he talks about the ugliness of China's poorly planned hastily built cities Mark Salzman *The New York Times* Theroux hops aboard a train as part of a tour group in London and sets out for China's border He then spends a year traversing the country where he pieces together a fascinating snapshot of a unique moment in history From sweeping and desolate natural landscapes to the dense metropolises of Shanghai Beijing and Canton Theroux offers an unforgettable portrait of a magnificent land and an extraordinary people

**The "inscrutably Chinese" Church** Nathan Faries, 2010-01-01 The first half of the twenty first century promises to be a time of great change for the Christian church in the People's Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking *The Inscrutably Chinese Church* moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close

[To the Ends of the Earth](#) Paul Theroux, 2011-04-27 There are those who think that Paul Theroux is the finest travel writer working in English This collection can only enhance that reputation *The New York Times Book Review* Author and travel writer Paul Theroux does what no one

else can he travel to the isolated unusual and fascinating spots of the world and creates an elegy to them that makes readers feel they are traveling with him. Evocative, breathtaking, intriguing, here is the armchair traveler's guide to the sites of the world he makes us feel we know. Praise for *To the Ends of the Earth* Reads like a wonderful novel. The Pittsburgh Press. Powerful. This compendium unequivocally offers insight into the mind of a foremost American fiction writer who became an accidental tourist. The Christian Science Monitor. Theroux is a wonderful traveling companion. *To the Ends of the Earth* combines the best of his travel writing. With him the reader shares a conversation with a sultan on a polo ground in Malaysia, hears people mourn with firecrackers scattering cherrybombs on the tombstone in a Chinese cemetery in Singapore, feels overdressed around nudists in Corsica, sees sandbagged houses and bombcraters left in Vietnam on a cold December day in 1973. The Virginian Pilot and The Ledger Star. Travel writing at its best. As you travel voyeuristically with Theroux across the vast wastelands of interior China, the convoluted cultures of Latin America or campy seacoast towns of England, you're struck with his slightly jaundiced eye for the overlooked but telling detail, his skeptic's ear for the offhand but important comment.

And as the boy becomes a man, he turns his attention to writing, which brings him fame and a wife who may finally bring him to know himself.
