Right Wing Extremism In The Twenty First Century:

Right-wing Extremism in the Twenty-first Century Peter H. Merkl, Leonard Weinberg, 2003 Dialogos encompasses Greek language and literature Greek history and archaeology Greek culture and thought present and past a territory of distinctive richness and unsurpassed influence It seeks to foster critical awareness and informed debate about the ideas events and achievements that make up this territory by redefining their qualities by exploring their interconnections and by reinterpreting their significance within Western culture and beyond

Terrorism in the Twenty-First Century Cynthia C. Combs, 2022-07-29 Terrorism in the Twenty First Century helps readers understand terrorism responses to it and current trends that affect the future of this phenomenon Putting terrorism into historical perspective and analysing it as a form of political violence this text presents the most essential concepts the latest data and numerous case studies to promote effective analysis of terrorist acts Terrorism in the Twenty First Century objectively breaks down the who what why how of terrorism giving readers a way both to understand patterns of behavior and to more critically evaluate forthcoming patterns New to the Ninth Edition Uses a key contemporary challenge of terrorism the emerging radicalization via social media platforms as a thread to link its chapters especially in terms of domestic terror threats and the rise of the far right in the US and abroad Discusses the evolving fifth wave of modern terrorism linking and radicalizing groups and individuals in all parts of the globe recruiting individuals for terrorist acts in their own states and drawing them into international confrontations Compares the profile of domestic extremists over time up to the Capitol rioters of January 2021 Includes new and updated case studies on a wide variety of terror phenomena including the Covid 19 pandemic Q Anon the Boogaloo Movement the Proud Boys and the War on Terror in Afghanistan Iraq and Syria among several others

Right-Wing Terrorism in the 21st Century Daniel Koehler, 2016-10-04 This book is the first comprehensive academic study of German right wing terrorism since the early 1960s available in the English language It offers a unique in depth analysis of German violent extremist right wing movements terrorist events groups networks and individuals In addition the book discusses the so called National Socialist Underground NSU terror cell which was uncovered in late 2011 by the authorities The NSU had been active for over a decade and had killed at least ten people as well as executing numerous bombings and bank robberies With an examination of the group s support network and the reasons behind the failure of the German authorities this book sheds light on right wing terrorist group structures tactics and target groups in Germany The book also contains a complete list of all the German right wing terrorist groups and incidents since the Second World War Based on the most detailed dataset of right wing terrorism in Germany this book offers highly valuable insights into this specific form of political violence and terrorism which has been widely neglected in international terrorism research

Terrorism in the Twenty-First Century Cindy C. Combs, 2015-09-21 This book s major strengths are its content which is excellent its organization which is logical and the fact that it devotes considerable attention to counterterrorist strategies and operations

Twenty-First Century

Fictions of Terrorism Arin Keeble, 2024-05-31 Examining novels by celebrated authors some neglected and some brand new texts Arin Keeble offers a detailed analysis of the ways novels from around the world have represented terrorism in the early twenty first century Over five chapters he uncovers a movement away from event based narratives toward depictions of terrorism as a violent symptom or feature of twenty first century world systems and neoliberalism Beginning with the early literary response to 9 11 and the 9 11 novel genre the book moves through more recent depictions of the endless war on terror state terror white nationalist terror and historical narratives of terror that resonate in the current political climate In doing so it examines the changing ways literature has sought to make sense of both the reasons why terrorism occurs and the effects it has on victims survivors and international and intercultural relations

Twenty-First Century Populism

Daniele Albertazzi, Duncan McDonnell, 2008-01-15 Over the last decade the main area of sustained populist growth has been Western Europe with populist movements reaching new heights in countries such as France Italy Austria and Holland Twenty First Century Populism analyses this phenomenon by looking at the conditions facilitating the emergence and success of populism in specific national contexts and then examining why populism has flourished or floundered in those countries The book also discusses the degree to which populism has affected mainstream politics in Western Europe and examines the inter relationship between populism political parties the media and democracy Containing chapters by a series of country experts and renowned political scientists from across the continent this volume is the first to offer an in depth account of the reasons behind the populist wave in twenty first century Europe

Marcel Alexander Niggli, 2009 Leading European scientists in the field of right wing extremism have contributed to this collection which introduces the ongoing projects of Switzerland's national research program 40plus The essays are presented in an international perspective in order

German National Identity in the Twenty-First Century

Ruth Wittlinger, 2010-10 This book shows that German national identity has undergone considerable changes since unification in 1990 Due to the external pressures of the post cold war world but also due to domestic developments such as recent dynamics of collective memory Germany has re-emerged as a confident nation which is less hesitant to assert its national interest

The Far Right in Europe Peter Davies, Paul Jackson, 2008-08-30 The Far Right in Europe An Encyclopedia brings together up to date information on all the major and many minor European far right parties tracing their historical roots describing their policies personalities and activities and exploring the links between them Longer contextual essays written by a team of experts debate regional and ideological traditions Scholarly but accessible there is no better introduction to the alarmingly vigorous contemporary tradition of far right groups in Europe

Liberal Democracy Into the Twenty-first

Century Roland Axtmann, 1996 This book offers a contemporary critique of liberal democracy understood as a set of institutions and as a set of ideas Roland Axtmann asks what democracy means today as it faces the challenges of feminism multiculturalism globalization and European integration Axtmann analyses in turn each of liberal democracy's component

parts Firstly he discusses the notions of sovereignty constitutionalism and representation and analyses the liberal concept of citizenship Secondly he surveys the conceptual history of civil society and presents republicanism and deliberative politics after Habermas as alternative conceptualizations of democracy Thirdly he shows how feminism and multi culturalism challenge liberal democracy with their demands for the granting of group rights Finally he shows how global interdependence and supranational integration demand a reconsideration of democratic sovereignty The idea of democratic rule by the sovereign people in the sovereign nation state is being transformed to reflect new connections between citizens governments and supranational institutions

Supranationalism Vs. the Nation Renee L. Buhr,2008

The Enemy of My Enemy George Michael,2006 In the violent world of radical extremists the enemy of my enemy is my friend This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups

Extremist Groups Cengage Gale,2006 Approximately 150 entries each covering an extremist group or terrorist organisation make this text a comprehensive encyclopedia of contemporary subversion Information includes history philosophy and organisation of the group

Sociological Abstracts ,2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

European Journal of Political Research ,2009

Policing in Twentyfirst Century ,1999

Germany at Fifty-five James Sperling,2004 Examining how the past has influenced current domestic and foreign policy in Germany this book explores topics such as the unification of east and west the founding of the Berlin and Bonn republics the legacies of national socialism and how the unified Germany s political culture continues to evolve

Freedom of Expression and Human Rights Liam Gearon,2006 Provides an overview of the fundamental relationship between writing and political dissent from early Greek democracy to post Enlightenment forms of totalitarianism This book explores the range of predominantly theological and religious civil and political social and cultural rationales for contemporary repression

The Sacred in Twentieth-Century Politics Robert Mallett,Roger Griffin,John Tortorice,2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon

The Struggle for the World Charles Lindholm,José Pedro Zúquete,2010-03-09 This controversial book establishes fundamental similarities between anti globalization aurora movements offering a new understanding of the sources and significance of resistance to the spiritual conditions of the modern world
