Rise from Abyss Angus MacGregor, 2014-06-06 You will spend a season helping those who have never felt love those who have given up on the idea they can be loved and bring them back to life Blinded by the promise of eternal love and eternal joy Nathaniel chooses Lucifer over the Creator much to his regret But the Archangel Michael descends upon heaven and gives Nathaniel a chance to redeem himself All Nathaniel needs is to bring those who have loved and lost to find love again But it s never that simple Nathaniel meets trucker Rich who has been deeply hurt when men violated him in front of his then girlfriend Ruby Rich loved Ruby but she couldn t get over the fact that she did not have Rich first He was heart broken For Ruby every time she opened her eyes all she saw were the men pounding Rich from behind and in his mouth It was a devastating experience How can Nathaniel heal these broken souls Because only then can he earn a star which when accumulated will be his ticket back to the creator Find out if Nathaniel successfully brings back Rich and Ruby together in this first book of the Pardoned Series hot and sexy romance for mature audiences Sample 1 You will be returned to the earth You will spend a season helping those who have never felt love those who have given up on the idea they can be loved and bring them back to life You will open their hearts and bodies to all the joy and delight that the Creator intended You will lead them toward others who will fill the empty place in their life and be the spark of love they longed for You will trust your heart and the Creator to lead you to them to bring them into your life As you change them set the glow of love ablaze within their heart you move one step closer to your hope to be reunited Every time you complete this one part of your journey a new star will blaze on your arm Today as you begin I bequeath you the first Nathaniel gasped as his arm seared He looked on his right arm where a bright blue star glimmered on his bicep Sample 2 That weekend the sweater came off much sooner along with her jeans and socks She lay beside him and moved his fingers from her heaving breasts down to the damp triangle of dark red between her legs She showed him how to stroke her softly and deftly until she climaxed in throbbing waves against his hand She had him stand in front of her and she slid his jeans and underwear down marveling at his erection Her light touch caused Rich to grow even more straining up against his flat belly and furry brown pubes that formed a soft wreath around his girth She stroked his shaft and gripped his nutsack and rubbed the sticky tip of his penis against her lips and on her cheeks Sample 3 Does my presence offend you Uh no Kind of the opposite you know Kind of giving me a chub here brother Remember all the shit I told you in the truck You mean how you are sometimes attracted to males Yeah Like that Probably a little easier for me if we keep being naked a little on the DL DL I infer you mean you prefer I be dressed In that case yes I could use some other garments You talk so weird buddy Hey you know what Rich pulled the towel off and dropped it to the floor We can just be all natural tonight Nathaniel looked at him and stared again into his face Your penis is erect Would you rather I be erect too No that s not necessary I just get boned up real easy especially when I am naked But if you get some wood don t worry I won t be offended or anything *Isaiah Through the Ages* Johanna Manley, 1995 A compilation of

*Religion and Violence in Western Traditions* André Gagné,Jennifer Guyver,Gerbern S. Oegema,2021-09-16 This book examines the connection between religion and violence in the Western traditions of the three Abrahamic faiths from ancient to modern times It addresses a gap in the scholarly debate on the nature of religious violence by bringing scholars that specialize in pre modern religions and scriptural traditions into the same sphere of discussion as those specializing in contemporary manifestations of religious violence Moving beyond the question of the authenticity of religious violence this book brings together scholars from a variety of disciplines Contributors explore the central role that religious texts have played in encouraging as well as confronting violence The interdisciplinary conversation that takes place challenges assumptions that religious violence is a modern problem that can be fully understood without reference to religious scriptures beliefs or history Each chapter focuses its analysis on a particular case study from a distinct historical period Taken as a whole these chapters attest to the persistent relationship between religion and violence that links the ancient and contemporary worlds This is a dynamic collection of explorations into how religion and violence intersect As such it will be a key resource for any scholar of Religious Studies Theology and Religion and Violence as well as Christian Jewish and Islamic Studies     **Christian Budget and News of the Day** ,1891     Seventeenth-century British Nondramatic Poets M.
