AN EXCERPT:

My brothers and sisters. He began his deep voice filling the grand parlor. I present to you our fair maiden. Tonight we offer her body and soul to the Ancient One. Her purity will be exchanged for our continued wealth, success, power. I looked at the black robed figures from under the hood of my heavy cloak. Their faces were obscured by their own dark hoods, but I could tell that all of their gazes were fixed on the platform fixed on me. We will violate this virgin, taking nine orgasms from her for the Ancient One. And in return we will be blessed with ninety days of the Ancient One's glorious gifts. The leader continued his hand tightening around my wrist. The fear began to creep over me again. A voice in my head was screaming that this was wrong. Wrong, wrong, wrong. But I ignored it. I was doing this. There was absolutely no turning back. Brothers, Sisters. Let us begin. He said. Ancient One, we do this in your name. In your name. The hooded figures replied, their collective voices strong, bouncing off of the stone walls. The flames of the candles flickered, casting golden shadows. The leader moved, stood in front of me. His hands went to the ties at my neck and unfastened them. With a flourish, he pulled the robe from me. I gasped as the robe fell to the floor and the chill of the room washed over my naked body.

AN EXCERPT:

I watched with wide eyes as the hooded figure with the black leather paddle crossed the small platform coming towards me. My heart was beating fast, my breath coming in quick gasps. I tried to swallow the lump in my throat, but it was no

use I was terrified He was eyeing my naked body with a look of intensity I wasn't sure what he had planned for me but I knew that whatever it was it wasn't going to be soft or gentle He circled the frame to which I was chained inspecting every inch of me The he stopped behind me I tried to turn to keep my eyes on him but it was no use The restraints held me firmly in place I closed my eyes in anticipation of the unknown tried to force myself to keep from hyperventilating And then I heard a whistling sound followed by a loud crack and an explosion of pain as the leather paddle came down hard against my bare ass I cried out loudly at the unexpected impact my eyes shooting open in surprise Again I tried to turn myself around pulling against my restraints to see what the man was doing to know when the next smack would come But there was no give and I was forced to remain facing forward I stared into the small crowd of men and women watching me anonymous in their large black hoods The paddle came down again and again and I cried out in pain as it collided with my bare flesh I felt tears well in my eyes as my skin tingled alive with pain Three more spanks in quick succession sent me reeling I was left gasping for breath my chest heaving My backside was burning but I realized that it wasn't just pain I was feeling There was something more something that left me damp between my legs I felt a trickle of that wetness slide down my thigh Oh my god was I actually enjoying this
