Picture For Toddlers Global Trend:

Images of Childhood Paul Duncum, 2023-07-13 Drawing on a rich legacy of pictorial evidence *Images of Childhood* examines historical constructions of childhood and how they reinforce or challenge the prevailing view of childhood as a state of innocence Each chapter explores how visual elements such as framing points of view and lighting as well as clothes accessories and body language help to construct our many different conceptions of children from members of the family unit and assumed gender roles to schooling and aesthetic objects through to their economic value and use in political propaganda Skillfully navigating a multitude of perspectives on this topic Paul Duncum considers both how our ideas beliefs and values have changed throughout history and how some have remained unchanged He also explores the cultural notion of the child within and how this has contributed to the way adults perceive children The result is a text far broader in scope than any other in its field as art history is interweaved with contemporary popular culture to explore how we visually represent childhood In doing so the book highlights the real life implications that these representations have on children's rights

Child Rights in India Asha Bajpai, 2018-02-15 Legislation is one of the most important tools for empowering children It reflects the commitment of the state to promote an ideal and progressive value system Recent years have seen several key developments in the law policy and practice related to child rights Significantly with the adoption of the United Nations Convention on the Rights of the Child in 1989 a rights based approach has acquired prominence in the child rights discourse across the world The book analyses the laws in the light of court judgments and policy initiatives taken in India It also examines the interventions and strategies employed by non governmental organizations in recommending legislative reforms in support of children This fully revised third edition focuses on the new legal developments in India such as the Juvenile Justice Care and Protection of Children Act 2015 the new Central Adoption Resource Agency guidelines the Right of Children to Free and Compulsory Education Act 2009 and the National Food Security Act 2013 thus attempting to integrate the law in theory and field practice
