**Raising Resilient Kids** Roy L Clement, 2023-01-20 Can we teach our children resilience in the same way that we educate them to be kind, take turns, or be respectful of others? Not quite. Everybody has some degree of resilience from birth, and life circumstances may either foster it or inhibit it. Some children appear to be more resilient by nature, while others seem to acquire the quality through time and via adversity. Resilience can also be simply defined as having done difficult things and understanding how to make them easier the next time.
