Fandom in the Digital Age, 2021 With the rise of social media as a cultural staple in entertainment industries such as music Instagram changes the landscape of the artist fan connection and muddles the boundaries of parasocial relationships in a digital space While a wealth of research exists on how fans perceive mediated relationships the perspective of the artist and how they navigate this connectivity is missing from the discourse This study builds on the current literature surrounding mediated artist fan interactions and examines how music artists use Instagram to build strong loyal relationships with fans through the lens of

parasocial relationships Through interviews with up and coming artists and music industry professionals this study concluded that in using Instagram to build valuable fan connections artists view online interactions as mutually beneficial for fans and themselves and build a community around their music through self disclosure and providing more valuable content to followers While these parasocial relationships crafted through Instagram may not grant fans full access to their favorite artists the opportunity for artists to engage with their fans can still blur the boundaries of a true parasocial relationship

Instagram Business Paul HAITAIAN, 2018-11-10 In this book, you will find very precious value about growing your page that I've learned with hours of courses and formation. If you start looking for the same content on the Internet for free, you may never find as much content and value for your success on Instagram. Of course, after hours, you may find something, but here I tried my best to do the best Instagram business book possible. Here you will find all the information I have been looking for for weeks on the Internet in just one book, divided and classified in 3 parts. The first one is about creating a better account. The second is about growing it. And finally, the third is about monetizing it. Why you can trust me: I helped many pages to grow on the gram and to monetize their account. I work with famous French influencers, and my network on Instagram has given me the opportunity to share all of what I've learned with you guys. I managed many accounts that I sold, and now I sell my services and consulting to pages wanting to monetize their account. I helped many pages which are now becoming references in their niche and have more than 50k followers.
