It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it. It does this by suggesting questions and lines of questioning on a wide range of topics. The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal. To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading. Once you start you will be hooked. Never stop questioning. **Quest for Zero Point Energy** Moray B. King, 2001 Electrical Engineer Moray B King expands with diagrams on how free energy and anti gravity are possible. Yes we do. Can we design our own destiny and that of our offspring? Yes we can. Are there processes for achieving this? Yes there are steps articulated in this book. One can use these steps to dramatically change their outlook in all life aspects personal financial relationships and most importantly happiness. It will propel us to a different life status. Why do we need to know the details? Destiny is unique to each individual even identical twins don't achieve the same destiny. It relates to one's nature, nurture, personality, faith, beliefs, culture and specific socio economic environment. It is as diverse as life. Destiny is life. The deeper the understanding the more effective the outcome is. This book simplifies these complex subjects and associates them with examples which can be correlated to the reader's circumstances and life. The key to our success and happiness is in our hands we just need to know how to use it. *The Minister's Complete Guide to Successful Retirement* Norman M.
