Crook, 2016-11-03 A past littered with disappearances of cats people and concrete an uncertain present full of destruction and necessary progress and a better future irrevocably intertwined with its own history Phoebe Fortune is at the centre of it all but she is not sure why The high speed rail line is coming to Phoebe and Callum Fortune's home village of Tuffington It will change many lives forever but none more so than the Fortune's Chance encounters unexplained mysteries a disappearing cat and many more strange and unusual events lead them on a quest to find answers from the past present and future But who can they trust to help them

**Young Adult Science Fiction** Charles William Sullivan, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the US and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the US and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein's works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies

**Paralysis Paradox** Stewart, Alexia Rees, Bryony Sutherland

Sanders,Alexia Rees,2016-01-18 Did you ever want to wake up to a different life Awaken in 1168 as a prince who must live by his wits to save his own life In 1911 as a youth striving to keep hold of his sanity while those he loves turn away In 1996 as a teenage girl surrounded by conspiracy And in an unspecified future as a consciousness trapped inside a weaponised machine  
**FOUR LIVES LIVED IN PARALLEL** Four lives to choose who to love and who to fear Four lives to choose who to trust and who to kill Four lives to lose and die in obscurity Or four lives to use to change the course of history And therein lies the paradox This is my story Book 1 in The Time Travel Through Past Lives Adventure Series
