Alternate History Novel Insights:

Post-9/11 Historical Fiction and Alternate History Fiction Pei-chen Liao, 2020-09-19 Drawing on theories of historiography memory and diaspora as well as from existing genre studies this book explores why contemporary writers are so fascinated with history Pei chen Liao considers how fiction contributes to the making and remaking of the transnational history of the U S by thinking beyond and before 9 11 investigating how the dynamics of memory as well as the emergent present influences readers reception of historical fiction and alternate history fiction and their interpretation of the past Set against the historical backdrop of WWII the Vietnam War and the War on Terror the novels under discussion tell Jewish Japanese white American African Muslim and Native Americans stories of trauma and survival As a means to transmit memories of past events these novels demonstrate how multidirectional memory can be not only collective but connective as exemplified by the echoes that post 9 11 readers hear between different histories of violence that the novels chronicle as well as between the past and the present

Imagining the Unimaginable Glyn Morgan, 2020-01-23 Imagining the Unimaginable examines popular fiction s treatment of the Holocaust in the dystopian and alternate history genres of speculative fiction analyzing the effectiveness of the genre s major works as a lens through which to view the most prominent historical trauma of the 20th century It surveys a range of British and American authors from science fiction pulp to Pulitzer Prize winners building on scholarship across disciplines including Holocaust studies trauma studies and science fiction studies The conventional discourse around the Holocaust is one of the unapproachable unknowable and the unimaginable The Holocaust has been compared to an earthquake another planet another universe a void It has been said to be beyond language or else have its own incomprehensible language beyond art and beyond thought The othering of the event has spurred the phenomenon of non realist Holocaust literature engaging with speculative fiction and its history of the uncanny the grotesque and the inhuman This book examines the most common forms of nonmimetic Holocaust fiction the dystopia and the alternate history while firmly positioning these forms within a broader pattern of non realist engagements with the Holocaust

Myths and Memories of the Black Death Ben Dodds, 2021-12-11 This book explores modern representations of the Black Death a medieval pandemic The concept of cultural memory is used to examine the ways in which journalists writers of fiction scholars and others referred to described and explained the Black Death from around 1800 onwards The distant medieval past was often used to make sense of aspects of the present from the cholera pandemics of the nineteenth century to the climate crisis of the early twenty first century A series of overlapping myths related to the Black Death emerged based only in part on historical evidence Cultural memory circulates in a variety of media from the scholarly article to the video game and online video clip and the connections and differences between mediated representations of the Black Death are considered The Black Death is one of the most well known aspects of the medieval world and this study of its associated memories and myths reveals the depth and complexity of interactions between the distant and recent past

The Writer's Idea Book 10th Anniversary Edition Jack Heffron, 2012-01-15 Where do you get your ideas It s a question that plagues every writer And once you ve got an idea what then Ideas without a plan without a purpose are no more than pleasant thoughts So how do you come up with those ideas and how do you turn them into writing that will engage your reader The Writer s Idea Book is here to help you find the answers Utilizing more than 400 prompts and exercises you ll generate intriguing ideas and plumb their possibilities to turn them into something amazing This indispensable guide will help you Develop good writing habits that foster creativity Explore your own life for writing material Draw inspiration from the world around you Find form for your ideas develop them into a piece of writing and make them better Let The Writer s Idea Book give you the insight and self awareness to create and refine ideas that demand to be transformed into greater works the kind of compelling absorbing writing that will have other writers asking where do you get your ideas **Editing the Soul** Everett Hamner, 2017-10-02 Personal genome testing gene editing for life threatening diseases synthetic life once the stuff of science fiction twentieth and twenty first century advancements blur the lines between scientific narrative and scientific fact This examination of bioengineering in popular and literary culture shows that the influence of science on science fiction is more reciprocal than we might expect Looking closely at the work of Margaret Atwood Richard Powers and other authors as well as at film comics and serial television such as Orphan Black Everett Hamner shows how the genome age is transforming both the most commercial and the most sophisticated stories we tell about the core of human personhood As sublime technologies garner public awareness beyond the genre fiction shelves they inspire new literary categories like slipstream and shape new definitions of the human the animal the natural and the artificial In turn what we learn of bioengineering via popular and literary culture prepares the way for its official adoption or restriction and for additional representations By imagining the connections between emergent gene testing and editing capacities and long standing conversations about freedom and determinism these stories help build a cultural zeitgeist with a sharper more balanced vision of predisposed agency A compelling exploration of the interrelationships among science popular culture and self Editing the Soul sheds vital light on what the genome age means to us and what s to come **American Borders** Paula Barba Guerrero, Mónica Fernández Jiménez, 2023-11-15 American Borders Inclusion and Exclusion in US Culture provides an overview of American culture produced in a range of contexts from the founding of the nation to the age of globalization and neoliberalism in order to understand the diverse literary landscapes of the United States from a twenty first century perspective The authors confront American exceptionalism discourses on freedom and democracy and US foundational narratives by reassessing the literary canon and exploring ethnic literature culture and film with a focus on identity and exclusion Their contributions envision different manifestations of conviviality and estrangement and deconstruct neoliberal slogans analyzing hospitable inclusion in relation to national history and ideologies By looking at representations of foreignness and conditional belonging in literature and film from different ethnic traditions the volume fleshes out a new

border dialectic that conveys the heterogeneity of American boundaries beyond the opposition inside outside *Pandemic Protagonists* Yvonne Völkl, Julia Obermayr, Elisabeth Hobisch, 2023-04-03 During the first mandatory lockdowns of the Covid 19 pandemic citizens worldwide turned to pandemic fictions or started to produce their own Corona Fictions across different media These accounts of previously experienced or imagined health crises feature a great variety of protagonists and their reactions in response to the exceptional circumstances The contributors to this volume take a closer look at different pandemic protagonists in fictional narratives relating to the Covid 19 pandemic as well as in existing pandemic fictions Thereby they provide new insights into pandemic narratives from a cultural literary and media studies perspective from antiquity to today
