Lyda Fadel

Head Coach

Miami, FL 33101

lyda@you.mail

Dear Lyda Fadel,

I hope this letter finds you well. I wanted to take a moment to share my thoughts on how much I've appreciated your guidance and leadership this season. Your dedication to our team's success and the passion you bring to each practice has truly inspired me as a player.

Under your coaching, I've noticed significant improvements in my performance. Whether it's refining my shooting technique, enhancing my defense, or building better team coordination, your approach has helped me elevate my game. Your ability to motivate and push us beyond our limits is something I greatly admire.

Beyond the court, your emphasis on teamwork and discipline has impacted me in more ways than I could have imagined. You've not only made me a better player but also a stronger individual. The lessons learned here will stay with me, and I am grateful for the opportunity to learn from you.

Thank you for everything you do for the team. I'm excited about what's ahead and am looking forward to continuing to grow under your leadership.

Warm regards,

Buchler, 2008 Visit My Website During my 20 years of involvement in youth soccer with both boys and girls teams I am often asked by parents and players as they enter high school what's the best way to get seen by college coaches and how to get scholarships Before the youth soccer craze hit 15-20 years ago not many high schools had quality soccer programs Today most of the players on high school teams are probably club and travel soccer players and presently there are many more high schools and colleges supporting soccer programs than ever before This has been a good thing for college soccer programs because more and more skilled players are now available to recruit There are even some premier clubs that tend to discourage or not allow their players to play high school soccer There are mixed emotions about this but it also depends on what level you are playing at Many colleges in a regional area are now competing for the same players If you are serious about playing college soccer there may be several opportunities out there for you if you do the proper research and prepare in advance Many fine young soccer players are overlooked each year because they didn't contact or submit their soccer resume to the right colleges left out very important information or waited until it was too late It is also a fact that many colleges simply don't allocate all of their soccer recruiting funds because athletes didn't get in touch with them **SO YOU WANT TO PLAY COLLEGE SOCCER** will help the prospective college student athlete with the process of researching contacting and selecting a college that's right for them Step-by-Step Guidebook On Football Recruiting Sheila Green, 2012-05-17 This is a guidebook that high school football players can follow in an effort to play football at the college
