I feel that it is a great paradox that organizers and parents of these pageants feel that all these give the children confidence. In actual sense, the message passed across is that, “One is not perfect on her own; therefore, she has to augment herself with cosmetics.”

My opinion is, therefore, that four year old girls should not be participating in beauty pageants at all. They should be left to be children and live their lives without the pressure of having to watch what they eat, where they go and afraid of getting a mark on their body when they fall. Parents should be taught that by trying to make your daughter beautiful in the eyes of the world, one is essentially harming her future health. The mothers should not try to fulfill their dreams of becoming runway modeling winners by forcing their daughters to that world at tender ages. Furthermore, the parents spend
