To Whom It Concerns,

I am writing this letter on behalf of Ms. Sandie Learn. Ms. Learn is currently a Title One tutor and working on her counseling internship at David Hill CLC in the Akron Public School District. As the Principal at David Hill CLC, I have the opportunity to observe her working with students and staff daily. She proves herself as a reliable, effective and competent educator. Ms. Learn was able to show increased growth in attendance by implementing an attendance incentive program at David Hill CLC. I believe this success was due to her strong ability to think "outside the box" and the relationships she has gained with the David Hill students. Ms. Learn has provided counseling lessons to the students that are engaging and thought provoking. Sandie is compassionate with her students and truly wants to make a difference in the lives of students. Ms. Learn is an active member of our building's IAT team and sits on the Climate committee. She participates in many school functions which supports the students and parents of David Hill CLC.

I am confident in her teaching and counseling skills, along with her knowledge on best practices in counseling, she will prove beneficial to all students and educators with which she encounters. Based on my observations and interactions, I have no reservations about recommending Ms. Sandie Learn to assume a counseling role with any learning institution.

Respectfully,

A handwritten signature in cursive script that reads "Kristen Booth".
