

Student Learning Objectives Form

Teacher Name	J Miller	Date	10/01/2016
School	Friendly Middle School	Appraiser Name	A. Henderson
Grade	7th	Subject Area	Physical Education

Step 1: What is the focus for my SLO?

a. Identify the content area for focus in the SLO.

Physical education - physical activity and health

b. What is the SLO skill focus statement for this content area or subject?

Students will be able to design a personal fitness plan incorporating preferred physical activities that aligns with their personal fitness goals and demonstrates an understanding of the connection between desired outcomes and primary benefits of various activities.

c. What led to the decision to focus on this content area and the SLO skill focus?

Middle school is a time when many students become less active while at the same time they become more body-conscious. To help students remain or increase their activity level as they enter the critical teenage years, I believe providing students with the opportunity to participate in a variety of activities while also learning about how that activity can help support physical fitness will help students develop a more active and healthier lifestyle. Feedback gathered from previous years indicates that while students have gained additional knowledge and skills with various physical activities, I would like to improve my instruction to help students make a more direct connection with their desired fitness goals.

d. What TEKS for the content area or subject correspond to these most important skills? You may provide an enumerated list of TEKS, but be prepared to share the verbiage of the TEKS with your appraiser.

(3) Physical activity and health. The student exhibits a health enhancing, physically-active lifestyle that provides opportunities for enjoyment and challenge. The student is expected to:
(B) participate in moderate to vigorous health-related physical activities on a regular basis;

Sample Slo For Elementary Physical Education:

The Essentials of Teaching Physical Education Stephen A. Mitchell, Jennifer L. Walton-Fisette, 2022 The Essentials of Teaching Physical Education Second Edition delivers the vital information future and current physical educators need to know with a focus on social justice and equity issues It uses a standards based teaching for learning approach and helps readers develop the skills in planning management teaching and assessment they need to begin successful careers PE Metrics, 3E SHAPE America - Society of Health and Physical Educators, 2018 PE Metrics Assessing Student Performance Using the National Standards Grade Level Outcomes for K 12 Physical Education Third Edition aligns with SHAPE America's National Standards and Grade Level Outcomes for K 12 Physical Education was created by SHAPE America and its writing team and was reviewed by researchers and teachers with expertise in assessment The result is a text that you can use with confidence as you help develop physical literacy in your students **PE Metrics** SHAPE America - Society of Health and Physical Educators, 2018-03-05 If you are looking for the definitive resource to help you measure your students achievement your search is over PE Metrics Assessing Student Performance Using the National Standards as such the elementary level assessments center heavily on Standard 1 In part III the emphasis shifts to middle school assessments with a concentration on Standard 2 and on the categories of dance and rhythms invasion games net wall games fielding striking games outdoor pursuits aquatics and individual performance activities Part IV offers sample assessments for high school students with a priority on providing evidence of the knowledge and skills students will need to remain active and fit after they leave high school This resource provides a comprehensive performance based assessment system that enables you to incorporate assessment into every facet of your teaching create assessments that are unique to your program and measure your students performance against the grade level outcomes The assessments are process focused and are designed to measure multiple constructs as well as provide meaningful feedback to students ultimately helping them to develop holistically across all three learning domains psychomotor cognitive and affective PE Metrics will help you instill in students the knowledge skills and confidence they need to enjoy a lifetime of healthful physical activity *American Physical Education Review*, 1923 Includes abstracts of magazine articles and Book reviews Elementary School Physical Education Ohio. Division of Elementary and Secondary Education, 1978 Physical Fitness/sports Medicine, 1984 Consists of citations selected from those contained in the National Library of Medicine's Medical Literature Analysis and Retrieval System **CAHPERD Journal Times** California Association for Health, Physical Education, Recreation and Dance, 2001 **Resources in Education**, 1998 **Elementary Physical Education** Rovegno, Dianna Bandhauer, 2016-02-15 Includes an access code for online materials **Film Canadiana**, 1980 *Sport Bibliography: Sports* Linda Wheeler, Coaching Association of Canada. Sport Information Resource Centre, 1983 **Alabama School Journal**, 1925 **Teaching Today and Tomorrow** Charles R. Kniker, Natalie A. Naylor, 1981 This report primarily focuses on the Department of Defense DoD oversight of serious incidents such as

attacks deaths injuries and property damage involving private security contractors PSCs in Iraq It examines DoD s 1 policies procedures and practices for reporting investigating and remediating those incidents and 2 efforts to identify trends and lessons learned Because some Department of State DoS PSCs report their serious incidents through DoD channels as well as DoS channels SIGIR reviewed pertinent DoS policies and procedures related to that reporting The report responds to a mandate in the National Defense Authorization Act for 2008 Public Law 110 181 which requires audits of the processes used to report document investigate and prosecute where appropriate incidents involving private security contractors in Iraq The U S government has relied extensively on PSCs in Iraq to protect personnel supplies and facilities Although issues have surfaced over the years concerning the oversight control cost and legal status of PSCs the Blackwater incident in September 2007 during which 17 Iraqi civilians were killed brought to the forefront concerns about the U S government s oversight and control of the PSCs In December 2007 DoD and DoS signed a memorandum agreeing that they would jointly develop implement and follow core standards policies and procedures for the accountability oversight and discipline of PSCs in Iraq Their objective was to reduce the number and impact of serious incidents DoS assigned responsibility for implementing its part of the agreement to the U S Embassy which in turn delegated responsibility to its Regional Security Office RSO DoD assigned its responsibility to the Multi National Force Iraq MNFI MNF I established Contractor Operations Cells CONOC 1 to coordinate PSC missions and to gather assemble and distribute information on serious incidents involving PSCs **Current**

Index to Journals in Education ,1981 **Teaching Science in Elementary and Middle School Classrooms** Joseph S. Krajcik,Charlene Lochbihler Czerniak,Carl F. Berger,2003 This text provides an overview of current science teaching practices for the elementary and middle grades The authors top scholars in the field of science education believe that all children should develop an in depth and meaningful understanding of scientific concepts and processes To achieve this the text utilizes the Project Based Approach Project based science stresses that science teaching should emphasize the active engagement of students in science rather than teachers telling students information Each chapter has several Portfolio Activity boxes that provide active learning experiences or reflections for the student Like the first edition the text includes numerous strategies in each chapter that help both new and experienced teachers understand how to teach science in an active and engaging manner The text also shows teachers how to implement the National Science Education Standards NSES and constructivist strategies A NSES marginal feature keys content to the standards Moreover this textbook helps teachers learn how to implement all of today s major reforms not just read about them **Sport Bibliography** ,1983 **Reports ... of Special Divisions of the Dept. of Instruction** Philadelphia School District. Department of Instruction,1934

Teaching Science in Elementary and Middle School Joseph S. Krajcik,Charlene Lochbihler Czerniak,2007 The need for a scientifically literate population that can apply scientific ideas to solve real world problems in the 21st century has never been greater Yet a growing disconnect exists between this need and the educational capacity to prepare them The

mission of Teaching Science in Elementary and Middle School A Project Based Approach 3e is to help answer this need Like its predecessors this new edition is organized around the guiding principles of problem based learning long term interdisciplinary student centered lessons that are relevant to real world issues and activities This teaching approach engages all young learners regardless of culture race or gender in exploring important and meaningful questions through a process of investigation and collaboration Throughout this dynamic process students ask questions make predictions design investigations collect and analyze data make products and share ideas Changes in this new edition include the following Stronger more explicit connections between PBS inquiry teaching and the National Science Education Standards NSES The theme of establishing the relevance of science to students lives has been expanded It now includes attention to discrepant events anchoring events and experiencing phenomena in addition to its previous focus on driving questions To help children understand that science is about explaining phenomena a new chapter Making Sense of Data now follows the one on Designing and Carrying Out Investigations It contains a section on helping children create evidence based scientific explanations A new section on the challenges of special needs and gifted students The discussion of technology in science teaching have been expanded to include such new devices as wireless handhelds cameras cell phones wikis and ipods The introductory scenarios have been reworked to insure greater relevance to elementary science teaching An accompanying Web site will offer test items and strategies to support students in problem solving and in planning and carrying out investigations This text is appropriate for anyone interested in teaching elementary or middle school science using an inquiry oriented problem based framework

Medical and Professional Woman's Journal ,1924 **The Athenaeum** ,1886

Embracing the Melody of Term: An Emotional Symphony within **Sample Slo For Elementary Physical Education**

In a world used by monitors and the ceaseless chatter of instantaneous interaction, the melodic splendor and emotional symphony developed by the prepared word usually diminish into the back ground, eclipsed by the relentless sound and disruptions that permeate our lives. Nevertheless, set within the pages of **Sample Slo For Elementary Physical Education** a charming fictional treasure filled with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that fascinating masterpiece conducts readers on a psychological journey, well unraveling the concealed songs and profound influence resonating within each carefully crafted phrase. Within the depths with this poignant examination, we shall investigate the book is central harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
