*Translations on Sub-Saharan Africa* United States. Joint Publications Research Service,1977

Speaking of Satan in Zambia Johanneke Kroesbergen-Kamps,2023-03-01 In this book it is argued that narratives about Satanism which

have become popular in the Christian context of Zambia from the 1990s onwards make cultural sense because of their links to traditional African notions as well as contemporary Christian theologies. These narratives also resonate with unease regarding the cultural change which is connected by Zambians to modernity. Narratives about Satanism further make personal sense to their narrators the pastors who provide a platform for them and their audiences. These arguments contribute to the academic study of religion in Africa in particular of African Christianity and of witchcraft related phenomena as well as to the global study of discourses on Satanism and other conspiracy theories. All of these disciplines are related to the topic of Satanism in Zambia but the phenomenon itself has not been discussed at length which makes the existing academic literature incomplete and inadequate. The comprehensive focus on the case of narratives about Satanism in Zambia offers new insights and enhances current theoretical reflection. The research presented in this book is original carried out during fieldwork spanning from 2012 to 2017 in Zambia and literature study in the years after that. Methodologically the research is based on participant observation in churches in which testimonies of ex Satanists were presented as well as participation in the Fingers of Thomas a Roman Catholic group which investigates rumours about Satanism. Furthermore it is based on interviews with pastors and students of theology active in the deliverance ministry from Pentecostal as well as mainline churches and also on interviews with people who have had experiences of Satanism. Finally the research is based on an analysis of collected testimonies of ex Satanists as they were presented in these interviews in churches on radio programmes in newspapers and in other sources. *The Speaker*, 1895 *Five Forgotten Truths* John R. Gaters, 2015-10-30. *Five Forgotten Truths* will call Americas Christians back to the truths that have been literally forgotten. If youve ever sat in church and thought there must be more to it than this then you need to read this book. It will lead you to a deeper walk with Christ and to a much better understanding of God and His great plan of redemption. What about salvation? Who is saved and how are we saved? Does God really expect us to be holy in our everyday lives? How do we achieve that? And what about stewardship? Do I have to attend church every Sunday to be a Christian? *Five Forgotten Truths* answers these deeply practical questions but also reveals the big picture answers behind them. Who is God and why did He create us? What is His plan for the world? For me? There really is more to it than this and this is the book to help you find the answers youve always asked for but have never received. **The Labor of Faith** Judith Casselberry, 2017-04-27. In *The Labor of Faith* Judith Casselberry examines the material and spiritual labor of the women of the Church of Our Lord Jesus Christ of the Apostolic Faith Inc which is based in Harlem and one of the oldest and largest historically Black Pentecostal denominations in the United States. This male headed church only functions through the work of the churchs women who despite making up three quarters of its adult membership hold no formal positions of power. Casselberry shows how the women negotiate this contradiction by using their work to produce and claim a spiritual authority that provides them with a particular form of power. She also emphasizes how their work in the church is as significant labor intensive and critical to their personhood.

family and community as their careers home and family work and community service are Focusing on the circumstances of producing a holy black female personhood Casselberry reveals the ways twenty first century women s spiritual power operates and resonates with meaning in Pentecostal female majority male led churches Philadelphia Methodist ,1906

**My Journey** Mike Steward,2025-09-16 This book titled My Journey into Mid Acts Dispensationalism is a true story of an Independent Baptist s spiritual journey to a new understanding of the Bible God s Word For some people the words dispensation and dispensationalism are foreign words to them They have no idea what a dispensation is let alone how it connects with Bible doctrine and how it is taught affects their belief system More than one has said they had to look the word up in a dictionary The author was schooled and trained as an Acts 2 dispensationalist Most churched Christian people were trained the same way But is that what the Bible teaches If that teaching is wrong how would that change your theology This is a story of how the author was introduced to mid Acts Bible doctrine and what he came to believe because of that
