explore and elaborate self realisation in depth Through the use of Johari Window Test on Internet I discovered certain new things about myself that my blind spot characteristics are intelligent mature extrovert and caring And while the open Area traits are Trustworthy and Confident Through undergoing Cash flow Quadrant model I determined that as job security is my prominent approach in evaluating the given job so I want to engage myself in Employee Quadrant in short run as well as in long run At the very end I used Covey s 7 Habits theory and preferred to adopt first three habits as it will be enough to me to have to do the government job So one can say that this report summarises all my career planning and development
