"Hi Larissa, This is _____, Do you have a quick minute? Oh good, I am calling because I could really use your help. I have my husband and I have started a home-based business with Ambreene—a company that offers pure, safe, botanically-based skin care and other health and wellness products for the entire family. I have decided to start this business because (present your why). For example, I want to be able to sell at home with my kids, to get out of debt, to help get my husband of home more on the work from home account, living check to check, etc.

I don't want to rely on friends and family to build my business, but I do need to meet people that I don't know. That's where I can use your help. I am asking if you would help me out by having a few of your favorite girls over for a really fun night out. We can have a Mexican Fiesta. Come with Cava's gently and I can prepare and drink your margarita. In exchange for your help, you will be eligible for earn and 80% off shipping, special and some free products. Most businesses are able to earn \$2000 in product off their choices for only \$400. I just need a couple more parties scheduled this month (in the next couple of weeks) to reach my goal. It would mean the world to me if you could help me out. Do you think you could do this for me?"

Schedule party with time, date and an in person hostess coaching appointment within 7 days.

Are you familiar with Ambreene? No? Ambreene is an anti-aging company that makes personal care products that are pure, safe and beneficial. I absolutely love the products and the company and feel really good about sharing Ambreene with others.
