*Shaped by the Story* Michael Novelli,2013-10-15

After more than a decade in youth ministry Michael Novelli felt like he'd tried everything to connect his students to the Bible. Then a missionary introduced him to the art of Bible storying—an imaginative way to engage in the scriptures through storytelling, creative reflection, and dialogue. He soon discovered that Bible storying was not only an effective teaching approach but a powerful way to awaken people to new purpose and identity rooted in the biblical narrative. In 2012 Michael partnered with sparkhouse to create Echo the Story curriculum based on his approach to Bible storying. Michael has seen people of all ages benefit from this imaginative way of encountering God through the Bible. In this book you'll find methods for adapting Bible storying for varied contexts and ages, testimonials from people using this approach, tools to create your own Bible storying narratives, and details about the proven learning theories guiding this approach.
