Rumor Has It Tami Hoag,2009-01-27 In this classic love story from 1 New York Times bestselling author Tami Hoag fire meets ice when a Yankee heartthrob falls for a resistant proper Southern belle determined to guard her heart Katie Quaid could never refuse a dare It was the quality that had once made her a world class equestrian And it was the reason she'd been elected to introduce herself to Briarwood's intimidatingly gorgeous new resident It took one week to make Nick Leone the focus of the Virginia town's rumor mill So far he was a CIA agent a male model a fugitive maybe all three Whatever Nick was Katie learned one thing right away she liked him And that made him the greatest danger she'd faced since the accident that had ended her riding career In the five years since she'd buried herself in her business of restoring historic homes afraid to share her scars with any man scars that had destroyed more than one dream Nick had disappointments of his own but after meeting Katie he sensed that fate had a better plan all along And soon he would pose her with the greatest dare of all to love again
