[The Lost Luna](#) Cameron Reed, 2025-01-29 A year ago her world was torn apart in a single brutal night An attack swift merciless and devastating left her with nothing but ashes and blood Her family her pack everything she had ever known was slaughtered before her eyes The screams of her mother the final words whispered in desperation still echo in her mind a haunting reminder of the life she lost She didn't know why it happened She didn't know who was behind it All she knew was that she had to run to survive to escape the darkness that had consumed her world Her mother's dying wish was for her to flee to the safety of the neighboring pack to seek refuge among allies But fear and instinct drove her in a different direction Instead she found herself in a rundown forgotten town on the edge of nowhere It was a place where she could disappear where the shadows were deep enough to hide her pain and her past For a while she found a strange kind of peace there a quiet existence where she could pretend the horrors of that night were just a distant nightmare But peace is fragile and hers was shattered the moment he arrived He was a stranger yet there was something about him that felt eerily familiar His presence was magnetic his gaze piercing as if he could see straight through the walls she had built around herself He brought with him secrets secrets about her past her family and the attack that had destroyed her life Secrets she never knew existed As the truth begins to unravel she realizes that nothing is as it seems The attack wasn't random Her family wasn't just collateral damage And she is far more than she ever believed

herself to be The revelations are earth shattering each one pulling her deeper into a web of lies betrayal and hidden power But with the truth comes danger The forces that destroyed her pack are still out there and they will stop at nothing to ensure she never uncovers the full extent of what she s meant to become As the piece [Savage Awakenings \(Lost Shifters Book 3\)](#) Stephani Hecht,2017 An outcast among his own kind Rat has always withdrawn from others and lived life by his own rules Rejected and shunned so many times he s resigned to the fact that he ll always be alone and nearly convinces himself that he s happier that way That all changes in one instant when he receives a call from a Lost Shifter named Keegan Scared and on the run from Ravens Keegan is in hiding and Rat knows if he doesn t go rescue the man he ll be dead within hours What Rat doesn t expect is to fall instantly in lust with the Lost Shifter as soon as they finally meet That s the last thing either one of them needs or wants though Not only is Keegan still adjusting to the fact he s a shifter but there s also the fact he s the feline leader s younger brother Which means the man is off limits But as they face more danger and get closer Rat knows he s powerless to fight his growing attraction to Keegan Will Rat finally be able to let go of his past to embrace a future with his new lover or will he forever be destined to live life alone
