Serving In Florida Essay

In an excerpt from her book "Serving in Florida", Barbara Ehrenreich addresses the issues for minimum wage workers. She writes to the upper class, and lower class who eat at the restaurant, to inform them of the terrible working situation, and to get them to change how they treat the lower class employees. Portraying Jerry's as an inferno allows Ehrenreich to give the reader the proper image of what the employees must work through every day to provide food for their customers. In addition, Ehrenreich describes the environment of Jerry's to be similar to the human digestive tract. The kitchen is "...a stomach leading to the lower intestine that is the garbage and dishwashing area" (para 1). Thinking of the kitchen as a human digestive tract conveys the image of grotesque organs as the place where customers' food is made, which creates disgust in the reader as they consider a restaurant's
