Zee Grows a Tree by Elizabeth Rusch (2020) A girl named Zee is born on the same day that a Douglas fir seedling emerges from the ground. Zee and the tree grow "bigger and stronger" together in a combination of story and factual information about Douglas firs. At the end of the book, the tree is ready to become a "holiday tree" and is decorated outside, not chopped down. You can [watch this video read-aloud](#) by the illustrator, Will Hillenbrand (12 minutes).

Nell Plants a Tree by Anne Wynter (2020) Nell picks up a seed and plants a pecan tree. As the tree grows, so does Nell's family. The tree's roots and branches expand as a multigenerational family grows, gathering at the end to enjoy pecan pie made from the tree's nuts. We see elderly Nell in the present day and Nell as a girl, nurturing the tree that now provides shade and pecans for her family. Ask your students what would be different if Nell hadn't planted the seed.

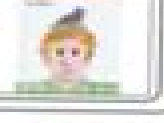

The Best Flower Ever! by Neisha Hudson (2020) Comparison is the thief of joy in this silly picture book about dogs comparing their flowers, each thinking that they have the best flower ever. When they jostle each other, one flower pot falls apart, and the pups work together to make it right. You can also discuss how each of us has something special that makes us unique.

Don't Touch That Flower! by Allison Spring (2020) Our favorite silly squirrel from The Leaf Thief and The Squirrel is back in a new picture book. Squirrel spots a wildflower, claims it as his own, and becomes protective of it. The book shows Squirrel how to let flowers blossom and grow, letting them and the bees do their work. Check out this [printable activity pack](#) from the author with a coloring page, word search, and more.

My Dad Is a Tree by Jon Agee (2020) A little girl pretends to be a tree and convinces her dad to join her. All day long, despite birds, bugs, rain, and illness, father and daughter stand together beside an actual tree. After it gets dark, they get to watch a baby owl fly from Dad's shoulder to join its mother in a real tree. Ask your students how they like to play outside with their families.
