Post Apocalyptic Story 2026 Guide:

Writers' Handbook 2026 J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

The Palgrave Handbook of the Zombie Simon

Bacon, 2025-12-26 This Handbook is a unique encompassing overview of the figure of the Zombie. This project will show that while there are many zombies and many texts about zombies, it is still often mistakenly viewed as little more than a sub-genre of Horror. However, its history and multiplicity warrants something far more ambitious in terms of cataloguing and defining its many forms, types and possible readings. Consequently, this Handbook proposes to feature elements of all the many and varied representations, narratives and theories of the zombie across cultures, histories and mediums to show that it is not just as multifaceted a story world but is much more akin to a genre in its own right or what we might term the Zombie Megatext.

Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including *Lucifer s Hammer* by Larry Niven and Jerry Pournelle *Alas Babylon* by Pat Frank *Malevil* by Robert Merle and *Into the Forest* by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic *Parable* series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability The Contemporary Post-Apocalyptic Novel Diletta De Cristofaro,2019-12-26 Traditional apocalyptic texts concern the advent of a better world at the end of history that will make sense of everything that happened before But what is at stake in the contemporary shift to apocalyptic narratives in which the utopian end of time is removed The Contemporary
