Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries

If I Were a Fish Corook, Olivia Barton, 2023-12-05 From the creators of the viral hit song that is a joyous celebration about making the best of a very bad day comes If I Were a Fish a gorgeously illustrated picture book explosion of positivity and love guaranteed to make you smile From the musicians and viral TikTok creators of If I Were A Fish Corook and Olivia Barton comes a delightful picture book adaptation of their silly happy song Join Corook and Olivia as they grab a guitar and dive into the comforting world of what it might be like to be a fish instead and together they make the best of a bad day Humans and fish alike are welcome to sing or kazoo along How lucky are we Of all the fish in the sea You get to be you And I get to be me Brightly and beautifully illustrated by the award winning Mike Curato this inspiring song about surrounding yourself with the people that make you the happiest is a timely reminder that it s always best to be yourself

iTake-Over David Arditi, 2020-06-23 The second edition of iTake Over The Recording Industry in the Streaming Era sheds light on the way large corporations appropriate new technology to maintain their market dominance in a capitalist system To date scholars have erroneously argued that digital music has diminished the power of major record labels In iTake Over sociologist David Arditi suggests otherwise adopting a broader perspective on the entire issue by examining how the recording industry strengthened copyright laws for their private ends at the expense of the broader public good Arditi also challenges the dominant discourse on digital music distribution which assumes that the recording industry has a legitimate claim to profitability at the expense of a shared culture Arditi specifically surveys the actual material effects that digital distribution has had on the industry Most notable among these is how major record labels find themselves in a stronger financial position today in the music industry than they were before the launch of Napster largely because of reduced production and distribution costs and the steady gain in digital music sales Moreover instead of merely trying to counteract the phenomenon of digital distribution the RIAA and the major record labels embraced and then

altered the distribution system **Owning It** James Catchpole, Lucy Catchpole, Jen Campbell, 2025-04-22 Growing up disabled can be an isolating experience As much as you might be surrounded by loving and well meaning friends and family chances are no one close to you is going through this alongside you until now From navigating sports at school to facing the confusion of getting given free stuff all the time to juggling hospital trips alongside your social life this anthology of firsthand experiences of childhood disability will be a welcome companion for disabled children For non disabled children it provides a welcome own voice perspective and will help build empathy and understanding A very powerful much needed book Edited by James Catchpole Lucy Catchpole and Jen Campbell With contributions from Ali Abbas Polly Atkin Imani Barbarin Jen Campbell James Catchpole Christa Couture Carly Findlay M Leona Godin Eugene Grant Jan Grue Matilda Feyisayo Ibini Ilya Kaminsky Sora J Kasuga Jessica Kellgren Fozard Elle McNicoll Daniel Sluman Nina Tame Rebekah Taussig Steven Verdile Alex Wegman Ashley Harris Whaley and Kendra Winchester Illustrated by Sophie Kamlish *Media & Culture* Richard Campbell, Christopher Martin, Bettina Fabos, Ron Becker, 2021-10-21 Get to the heart of fake news and brush up on your media literacy skills as you explore the media landscape of today and where it all came from using the current and relevant research found in Media Culture **Translation, Adaptation and Digital Media** John Milton, Silvia Cobelo, 2023-05-31

Viral Justice Ruha Benjamin, 2022-10-11. From the author of *Race After Technology*, an inspiring vision of how we can build a more just world, one small change at a time. A true gift to our movements for justice. Michelle Alexander, author of *The New Jim Crow*. Long before the pandemic, Ruha Benjamin was doing groundbreaking research on race, technology, and justice, focusing on big structural changes. But the twin plagues of COVID-19 and anti-Black police violence inspired her to rethink the importance of small individual actions. Part memoir, part manifesto, *Viral Justice* is a sweeping and deeply personal exploration of how we can transform society through the choices we make every day. Vividly recounting her personal experiences and those of her family, Benjamin shows how seemingly minor decisions and habits could spread virally and have exponentially positive effects. She recounts her father's premature death, illuminating the devastating impact of the chronic stress of racism, but she also introduces us to community organizers who are fostering mutual aid and collective healing. Through her brother's experience with the criminal justice system, we see the trauma caused by policing practices and mass imprisonment, but we also witness family members finding strength as they come together to demand justice for their loved ones. And while her own challenges as a young mother reveal the vast inequities of our healthcare system, Benjamin also describes how the support of doulas and midwives can keep Black mothers and babies alive and well. Born of a stubborn hopefulness, *Viral Justice* offers a passionate, inspiring, and practical vision of how small changes can add up to large ones, transforming our relationships and communities and helping us build a more just and joyful world.
